Be it enacted by the people of the state of Missouri:

Two new sections of the Revised Missouri Statutes are hereby enacted, to be known as sections 130.230 and 143.990, to read as follows:

130.230. 1. "The Missouri elections trust fund" is hereby created to provide public financing for candidates for office in Missouri who agree to accept and meet certain conditions and limitations.

2. The government by the people trust fund will be administered by a board, to be known as the "public finance commission" consisting of seven members, to be nominated by the governor and approved by the senate.

(1) No individual may be appointed to the public finance commission who is:

(a) a government employee;

(b) a registered lobbyist, or who has been a registered lobbyist at any time during the 5-year period preceding their appointment to the commission;

(c) an officer or employee of a political party or political campaign;

(d) an elected official, senator, or representative.

(2) Members of the public finance commission shall be appointed for a term of five years; except the second and third classes of the first seven members of the public finance commission, who shall be divided into three classes, as follows;

(a) The first three members to be confirmed shall serve a full five-year term;

(b) The fourth and fifth members to be confirmed shall serve a three-year term;

(c) The sixth and seventh members to be confirmed shall serve a one-year term.

(3) Members of the public finance commission may be removed from office if convicted of fraud or mismanagement of funds administered by the public finance commission, or conviction of a felony.

3. Members of the public finance commission will be reimbursed for travel and other expenses at the prevailing rate for other employees and officers of the state of Missouri.

4. The funds collected under this program will be distributed only to candidates who accept the conditions required to qualify for public financing.

5. Candidates accepting public funds must agree to and meet the following conditions:

(1) Not to accept contributions from corporations or political action committees that include corporate contributions in their fund-raising;

(2) Not to accept donations totaling more than \$1000 from any individual or other source, other than themselves, excluding a political party of which they are a member, during an election cycle (defined as the period between two general elections for the same office); and

(3) That at least half of the money they raise will come from individuals, political action committees, or other sources that contribute no more than \$100 to them during an election cycle.

6. The funding provided to eligible candidates will be in the form of matching funds, with the size of the match (2 to 1; 5 to 1; etcetera) to be determined by the commission based on the total amount of money raised by all candidates who have elected to accept public funds and the total amount of money available from the fund during each election year.

(1) Thirty-five percent of the funds available shall be distributed on the first day of June of each general election year, based on total monetary contributions received during the election cycle up to the date of the quarterly report filed with the Missouri Ethics Commission for the quarter ending on the thirty-first day of March. (In-kind contributions are not eligible for matching funds.)

(2) The balance of available funds shall be distributed on the third Monday in September of each general election year to eligible candidates in the general election, based on total monetary contributions received and reported through the thirtieth day of August.

7. When a candidate or committee files a termination statement and disclosure report with the Missouri Ethics Commission, any and all funds remaining after dissolving any debt are to be paid over to the government by the people fund, up to and including an amount equal to the full amount of matching funds received by said candidate.

143.990. 1. In each taxable year beginning on or after January 1, 2016, each individual or corporation having paid state income taxes in the amount of twenty-five dollars or more may designate that five dollars of the tax paid shall be paid over to the Missouri elections trust fund as provided in section 130.230. In the case of a husband and wife with a filing status of married filing combined having paid state income tax in the amount of fifty dollars or more, each spouse may designate that five dollars shall be paid to the fund.

2. The designation authorized by this section shall be clearly and unambiguously printed on the same page of each income tax return form provided by the state upon which the amount of the amount of tax owed is indicated, and shall provide a statement that contributing to the fund will not increase the amount of tax owed or reduce the amount of overpayment to be refunded. The department of revenue shall deposit such amount to the Missouri election trust fund as created in section 130.230.
