

State Capital Universe

Do you need to compare legislation and regulations across states?
Tired of navigating different states' General Assembly sites?

State employees can access legislative information from all 50 states in a single interface with LexisNexis [State Capital Universe](#).

Included in this database are:

- **Bill tracking and bill text**, available and searchable by keyword or bill number. Bill text is available from 1991 forward, and multiple states can be searched at once.
- State **statutes**, searchable by keyword or citation. Case notes and opinions are linked to some statute records. State constitutions are also searchable.
- Trackable regulations and searchable **state registers** and **administrative codes**, by keyword or citation.
- Full text of **newspapers** of record for most states.
