SUMMARY OF COMMENTS: Two comments were received.

COMMENT: Mary Sue Dildine submitted a letter in support of speech pathology assistants regulations.

RESPONSE: The board appreciates the comment.

COMMENT: Jeanne Hamlin, Board Member, Missouri Speech and Hearing Association (MSHA) submitted a letter opposing section (7) of the rule, stating that the rule is extremely strict by comparison of physical therapy assistants and certified occupational therapy assistants and are stricter than the American Speech and Hearing Association's (ASHA) recommendations. Ms. Hamlin stated that while she does recognize that the fields are different, assistants in other fields require minimal supervision and are considered to perform the tasks they are assigned. As a discipline coordinator, Ms. Hamlin, is concerned that she will not have the ability to utilize an assistant efficiently with patients that are appropriate for their skill level to treat if they need an extreme level of direct supervision. The expectations of productivity in our hospital systems need the ability to delegate tasks that do not need the skills of a speech language pathologist. If 30% of a staff member's time is

needed to directly supervise the assistant, they will not be able to complete evaluations and treatments of a higher skill level that are needed. A 10% supervision level after the first 1–3 months of work would seem more reasonable. Patients are individuals and so are their needs. Ms. Hamlin suggested that the speech language pathologist should be able to determine the level of supervision needed, which should vary depending on the level of skill needed and individual patient issues. Ms. Hamlin questioned whether the intent is that the assistant only have one supervisor or if they can have a primary supervisor but have more than one speech language pathologist delegate treatment to them. Ms. Hamlin stated that the intent of including the assistant in the licensure laws was for the purpose of assuring an appropriate scope of practice and appropriate, not unreasonable, supervision in order to utilize different skill levels in the field for efficiency and to remain a viable service. Ms. Hamlin concluded her comments by stating that speech language pathologists are responsible for the treatment delegated and should determine the amount of supervision on experience and need, not a percent per patient that cannot be realistically met or is needed. RESPONSE: The Board reviewed Ms. Hamlin's comments and determined that Ms. Hamlin's concerns were already addressed in Rule 4 CSR 150-4.201(7), therefore, no changes were made to the text of the proposed rule.

SUMMARY OF COMMENTS: One comment was received.

COMMENT: Sallie-Shaindy P. Lowenthal submitted a comment opposing speech-language pathology assistants being permitted to conduct speech-language and hearing screening without interpretation. Ms. Lowenthal stated that only trained speech and language pathologists should be performing screenings or evaluations as one must have a thorough understanding of normal speech and language behaviors before attempting to screen and even informally refer a child for further testing or determine that a child's performance does not warrant further attention. Ms. Lowenthal also stated that it is not in the best interest of any child to be screened by one individual and have a second individual interpret that screening as indicated in section (4) of the rule. Such screenings could cause children to fall through the cracks since their language difficulties went undetected by the screener. Often times those screenings cost parents significant time and money in evaluations when their child is found to have a problem that a properly trained speech and language pathologist would not have found to be problematic. Ms. Lowenthal stated that she believes it is in the best interest of the community to be treated by properly trained and licensed speech language pathologists and audiologists. However,

since assistants are now a reality and cannot be avoided, we must at least make sure that they are properly supervised and that their scope of practice be limited so that clients can only be affected positively.

RESPONSE: The Board reviewed this comment and determined that this issue is addressed by statute.

5 CSR 70-742.141 is amended.

A notice of proposed rulemaking was not published because state program plans required under federal education acts or regulations are specifically exempt under section 536.021, RSMo. Public hearings were held on June 9, 2000 in Springfield; June 13, 2000 in Kansas City; and June 15, 2000 in St. Louis. Comments received were considered prior to submitting the application to the United States Department of Education.

This proposed amendment becomes effective thirty days after publication in the *Code of State Regulations*. This rule describes Missouri's services for infants and toddlers with disabilities, in accordance with Part C of the Individuals with Disabilities Education Act, Public Law 105-17.

**5 CSR 70-742.141** **Individuals with Disabilities Education Act, Public Law 105-17, Part C.** This amendment of incorporated by reference material is needed to bring the program plan in compliance with federal statutes.

*PURPOSE:* The Department of Elementary and Secondary Education is eligible to apply for and receive federal funds under the Individuals with Disabilities Education Act of 1986 for the provision of early intervention services to infants and toddlers with disabilities. This rule incorporates by reference changes to the annual program plan required by new federal statutes for the provision of the services to eligible children.

*PUBLISHER'S NOTE:* The publication of the full text of the material that the adopting agency has incorporated by reference in this rule would be unduly cumbersome or expensive. Therefore, the full text of that material will be made available to any interested person at both the Office of the Secretary of State and the office of the adopting agency, pursuant to section 536.031.4, RSMo. Such material will be provided at the cost established by state law.

*AUTHORITY:* section 178.430, RSMo [1994] 2000, Executive Order 94-22 of the Governor, Public Law 105-17, Individuals with Disabilities Education Act. Original rule filed Dec. 29, 1997, effective March 30, 1998. Amended: Filed July 31, 1998, effective Oct. 30, 1998. Amended: Filed Dec. 7, 2000.

*PUBLIC COST:* This order of rulemaking will cost state agencies or political subdivisions \$18,575,648 in the aggregate assuming the life of the rule is for two fiscal years based on the one-year extension by the federal government to submit a new State Plan.
