ORDER OF RULEMAKING

By the authority vested in the state board of education under section 160.545, RSMo, the board amends a rule as follows:

5 CSR 50-350.040 is amended.

A notice of proposed rulemaking contained the text of the proposed amendment was published in the *Missouri Register* on November 1, 2000 (25 MoReg 2636-2639). Changes have been made in the text of the proposed amendment. Those sections of the proposed amendment with changes are reprinted here. This proposed amendment becomes effective thirty days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The State Board of Education received ten (10) comments on the text of the proposed amendment and the public cost fiscal note.

COMMENT: All comments received by the board expressed concern that the new wording “eligible postsecondary schools,” would expand the definition of eligible schools, which students may attend from Missouri public community colleges or vocational or technical schools. In addition, two (2) comments spoke of the public cost fiscal note and questioned if the amendment increased the cost.

RESPONSE AND EXPLANATION OF CHANGE: The State Board of Education has carefully considered these comments and would note that it was never the intention to expand this program to schools outside the statutory language. Therefore, the language “public community colleges or vocational or technical schools” will replace “eligible postsecondary schools.” The board agrees that the public cost fiscal note is confusing and thus has clarified that there is no anticipated public cost for this amendment. Section (12); subsections (1)(D), (2)(B), (9)(A) and (B); and a revised public cost fiscal note are reprinted here for clarity.
