HOW TO CITE RULES AND RSMo

RULES—Cite material in the *Missouri Register* by volume and page number, for example, Vol. 28, *Missouri Register*, page 27. The approved short form of citation is 28 MoReg 27.

The rules are codified in the *Code of State Regulations* in this system—

Title	Code of State Regulations	Division	Chapter	Rule
1	CSR	10-	1.	010
Department		Agency, Division	General area regulated	Specific area regulated

They are properly cited by using the full citation, i.e., 1 CSR 10-1.010.

Each department of state government is assigned a title. Each agency or division within the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

RSMo—The most recent version of the statute containing the section number and the date.

Rules appearing under this heading are filed under the authority granted by section 536.025, RSMo 2000. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the *Missouri* and the *United States Constitutions*; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons and findings which support its conclusion that there is an immediate danger to the public health, safety or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

Rules filed as emergency rules may be effective not less than ten (10) days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the *Missouri Register* as soon as practicable.

All emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

doing business as NAD-RID National Interpreter Certification, and issuing certifications equivalent to those recognized by the statute but with different names, on July 1, 2006. The emergency rule is necessary to allow the board to issue a license to those applicants who obtain such certifications pending ordinary adoption of an appropriate rule, otherwise communication between members of the deaf community and the general public will be impaired, endangering the health, safety and welfare of individuals and the general public. The board has concurrently filed an identical proposed new rule with the Secretary of State's Office and the Joint Committee on Administrative Rules, which will appear in the October 2, 2006, Missouri Register and will not become effective until at least March 31, 2007.

The scope of the emergency rule is limited to the circumstances creating the emergency and complies with the protections extended in the Missouri and United States Constitutions. In developing this emergency rule, the board encouraged discussion of the new examination at its open meetings and provided the public the opportunity to offer their comments at that time. The board believes this emergency rule to be fair to all interested parties under the circumstances. This emergency rule was filed August 22, 2006, effective September 1, 2006, expires February 27, 2007.

(1) In addition to the certificates specified in section 209.322, RSMo, the following licenses and certifications are recognized as qualifying credentials for an initial license, renewal license or temporary license:

(A) Certification issued by the National Association of the Deaf (NAD) and the Registry of Interpreters for the Deaf, Inc. (RID), doing business as NAD-RID National Interpreter Certification, c/o RID, Inc., 333 Commerce Street, Alexandria, VA 22314, as follows:

1. National Interpreter Certification (NIC);
2. NIC Advanced; and
3. NIC Master.

AUTHORITY: section 209.328.2(3), RSMo 2000. Emergency rule filed Aug. 22, 2006, effective Sept. 1, 2006, expires Feb. 27, 2007. A proposed rule covering this same material is published in this issue of the Missouri Register.

PURPOSE: This rule allows applicants with certain national certifications to become licensed in Missouri.
