## HOW TO CITE RULES AND RSMo

**RULES**—Cite material in the *Missouri Register* by volume and page number, for example, Vol. 28, *Missouri Register*, page 27. The approved short form of citation is 28 MoReg 27.

The rules are codified in the *Code of State Regulations* in this system—

Title	Code of State Regulations	Division	Chapter	Rule
1	CSR	10-	1.	010
Department		Agency, Division	General area regulated	Specific area regulated

They are properly cited by using the full citation, i.e., 1 CSR 10-1.010.

Each department of state government is assigned a title. Each agency or division within the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

**RSMo**—The most recent version of the statute containing the section number and the date.

The Secretary of State shall publish all executive orders beginning January 1, 2003, pursuant to section 536.035.2, RSMo Supp. 2005.

**A**n agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety (90)-day-count necessary for the filing of the order of rulemaking.

**I**f an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

#### IV. ASSUMPTIONS

The estimates contained in this fiscal note are based upon the following assumptions:

All estimates shown are based upon milk inspection fees collected during FY '05. Varying conditions (drought, severe cold weather, market conditions, etc.) effect total pounds of milk marketed, thereby effecting cost to private entities.

There are four (4) individual dairy producer's currently processing and marketing milk and product from their owned dairies in Missouri from which the statutory inspection fees must be assessed. The current and proposed fee for the upcoming fiscal year will be 4.5¢ per hundred weight (cost per pound) for in state produced raw milk.

In the case of the current four (4) producer distributors, the raw milk fee is not passed along through a marketing agency. Consequently, the individual producer distributor must forward the monthly assessment to the state in the same manner a large processing plant or a producers marketing agency at the first point of sale as defined in 196.945 RSMO.

**PROPOSED AMENDMENT**

**3 CSR 10-4.135 Transportation.** The commission proposes to amend section (2).

*PURPOSE: This change will eliminate reference to fur buyers as an entity that may ship raw furs, to maintain consistency with other changes in the Code referring to fur buyers.*

(2) In addition to personal transportation, legally possessed commercial fish, frogs, deer hides, squirrel and rabbit pelts, and furbearer pelts and carcasses may be shipped by mail, express and freight, when truly labeled with the names and addresses of shipper and addressee, shipper's permit number or Telecheck confirmation number, as required, and the contents of each package. Wildlife breeders, taxidermists, fur dealers, tanners, [fur buyers,] and fur handlers may ship according to regulations specifically provided for such permittees. Wildlife shall not be accepted for shipment unless the shipper shall have complied with the provisions of this rule.

*PUBLIC COST: It is estimated that approximately twenty (20) people purchase this permit annually. At a two hundred dollars (\$200) per permit price reduction the annual monetary loss to the Department of Conservation is approximately four thousand dollars (\$4,000) or twenty thousand dollars (\$20,000) in the five (5)-year aggregate.*

**3 CSR 10-10.708 Nonresident Fur Dealer's Permit**

*PURPOSE:* This rule establishes a new permit for nonresident fur dealers. Privileges were previously provided under a Fur Dealer's permit, which is being modified to identify resident and nonresident status.

To buy, sell, possess, process, transport and ship the pelts and carcasses of furbearers from July 1 through June 30. Nonresident fur dealers shall conduct business only at the locations in Missouri specified on the permit, with resident fur dealers at their business location and at established fur auction sites. Fee: three hundred dollars (\$300).

*AUTHORITY:* sections 40 and 45 of Art. IV, Mo. Const. Original rule filed March 6, 2006.

*PUBLIC COST:* This proposed rule will not cost state agencies or political subdivisions more than five hundred dollars (\$500) in the aggregate.

*PRIVATE COST:* This proposed rule will cost private entities approximately one thousand five hundred dollars (\$1,500) per year or seven thousand five hundred dollars (\$7,500) in the five (5)-year aggregate. It is estimated that five (5) nonresidents will purchase this permit per year.

*NOTICE TO SUBMIT COMMENTS:* Anyone may file a statement in support of or in opposition to this proposed rule with John W. III. WORKSHEET

5 nonresident buyers X \$300 permit fee X 5 years = \$7,500

IV. ASSUMPTIONS

The above calculation does not represent a true increase in cost to nonresident fur dealers. The current permit required is the same cost, and is available to both residents and nonresidents. This proposed rule establishes a new, separate permit for nonresidents only. Although it is a new rule, there will be no additional cost to the affected entities - they will be afforded the same privileges at the same price as the permit currently required.

In the current year 5 of these permits have been sold to nonresidents. Last year only 4 were sold to nonresidents.

Based on an average five-year life cost. All permit fees are reviewed annually and adjustments made as needed—normally within five years—to remain competitive with other states.

*PUBLIC COST: It is estimated that approximately thirty-one (31) people purchase the Resident Fur Buyer's Permit annually. With the cost of one hundred dollars (\$100) per permit, the Department of Conservation will lose approximately three thousand one hundred dollars (\$3,100) annually or fifteen thousand five hundred dollars (\$15,500) in the five (5)-year aggregate.*

*PRIVATE COST: This proposed rescission will not cost private entities more than five hundred dollars (\$500) in the aggregate.*

Such reports shall be submitted by April 20.

(3) **Nonresident** [F]fur dealers [and their employees] shall conduct business only at the location in Missouri specified on the permit, with [licensed fur buyers or] **resident fur** dealers at their business locations and at established fur auction sites.

[[4]] (5) Furbearer pelts may be shipped or transported into Missouri without a Missouri [fur buyer or] fur dealer permit for consignment or sale at an established fur auction site or to the location specified on a Missouri fur dealer [or fur buyer] permit if the pelts are accompanied by the appropriate permit or other proof of legality in the state of origin.

[[5]] (6) Issuance of a permit after the first year shall be conditioned on compliance with this rule and receipt by the department of satisfactory reports for the preceding permit period.

[[6]] (7) Fur [buyers and fur] dealers may consign pelts or carcasses of furbearers for storage or processing at locations other than that specified on the permit provided the consignee is identified in the fur record book.

## INSTRUCTIONS

Fur buying regulations require dealers and buyers to keep current accurate records and to submit a notarized report annually. This record book and affidavit forms are furnished to all dealers and buyers to enable them to comply with the regulations.

Read your Wildlife Code; be sure you are thoroughly familiar with all regulations governing the fur season and trade.

Dealers and buyers are responsible for recording accurately and immediately all purchases made by their employees (See 3CSR10.10.715).

### Follow these instructions:

**A. Make all records in triplicate using the carbon sheets supplied.** Dealers and buyers will tear out and submit the entire white (original) sheet as their report. An agent of the Department may pick up the pink copy during routine inspections. Dealers and buyers will keep the yellow copy as their record.

**B. Keep records up-to-date and in order of transactions.** Do not skip lines.
