Harrah's North Kansas City

Ms. Sharon Spencer-Drew, Regulatory Compliance Manager, submitted the following written comments on behalf of Harrah's North Kansas City:

COMMENT: 11 CSR 45-7.030(1)(B) While color cameras are needed in some limited situations they do not provide the same level of clarity or detail as the black and white cameras. Color cameras also are more strenuous on the eyes of the operators that are required to monitor throughout their eight (8)-hour shift. Color cameras will not provide current level of resolution as the B&W cameras until they are recorded onto a digital system. Estimated cost for the conversion to comply with the color camera conversion is estimated at seven hundred sixty-five thousand five hundred fifteen dollars (\$765,515).

RESPONSE: The clarity and detail provided by color cameras compared to that of black and white cameras is debatable. The commission feels the benefits derived from having color camera coverage on the casino floor and in money counting areas far outweigh any perceived limitations. The commission realizes the conversion cost for some casinos will be significant and will establish a reasonable effective date for implementation as provided for in 11 CSR 45-7.150(2).

COMMENT: 11 CSR 45-7.030(1)(C) "clearly distinguish ticket-in/ticket-out tickets"—Are they asking us to be able to just record it or actually view it? Tickets will be difficult to view unless each window gets fitted for a fixed camera that can focus in on tickets. This will slow the cage because a special area must be set aside where the cashier can put the ticket for three to five (3-5) seconds for the camera to view. Also, the information on the ticket is hard to distinguish because all tickets look alike. Does this include NRTs?

RESPONSE: The provisions of this subsection require cameras be equipped with lenses of sufficient magnification to allow the surveillance operator to clearly distinguish the value of chips, tokens, cash, ticket-in/ticket-out tickets, promotional tickets/coupons and playing cards. The subsection does not require all information on the ticket be readable.

Isle of Capri Kansas City and Boonville

Mr. Philip A. Cottrell and Mr. Jeremy J. Miller, Regulatory Compliance Officers for Isle of Capri—Boonville and Isle of Capri—Kansas City respectively, submitted the following written comments:

COMMENT: 11 CSR 45-7.030 Isle of Capri Casinos, Inc. would request this section be further amended in a manner which would allot the casinos three (3) complete twelve (12)-month budget cycles to fulfill the requirements of the amendment. Significant capital should be secured prior to these improvements in the existing CCTV systems. Approximately two hundred thousand dollars (\$200,000) capital investment would be required to accommodate this proposal. RESPONSE: The commission realizes the conversion cost and time for some casinos will be significant and will establish a reasonable effective date for implementation as provided for in 11 CSR 45-7.150(2).

Argosy Casino—Riverside

Mr. Dave Rice, Compliance Administration Manager, and Ms. Karen Moore, Director of Surveillance, for Argosy Casino—Riverside, testified at the public hearing and submitted written comments as follows:

COMMENT: 11 CSR 45-7.030(1)(B) The proposed amendment requires all licensees to have color television cameras with a minimum four hundred seventy (470) plus line resolution with matrix or pan, tilt and zoom capabilities. While there are time considerations given to other proposed changes, there is none here. In order to comply with the regulation as written, we would be required to replace approximately one hundred sixty (160) of our existing cameras. In addition to the cost of replacing the cameras, it will require an extensive amount of time to complete the installation of those cameras. We would request a two (2) year grace period from the time the rule changes take effect for us to be in compliance with the regulation.

RESPONSE: The commission realizes the conversion cost and time

for some casinos will be significant and will establish a reasonable effective date for implementation as provided for in 11 CSR 45-7.150(2).

**Title 11—DEPARTMENT OF PUBLIC SAFETY
Division 45—Missouri Gaming Commission
Chapter 7—Security and Surveillance**

ORDER OF RULEMAKING

By the authority vested in the Missouri Gaming Commission under sections 313.004 and 313.805, RSMo 2000, the commission amends a rule as follows:

11 CSR 45-7.040 Required Surveillance is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on September 1, 2006 (31 MoReg 1315-1316). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Missouri Gaming Commission (MGC) received three (3) letters of comment on proposed amendment 11 CSR 45-7.040 Required Surveillance. Additionally, a public hearing was held October 19, 2006 at which individuals/groups were provided the opportunity to express their agreement with or concern about the proposed amendment as written. Two (2) individuals testified at the hearing.

Harrah's North Kansas City

Ms. Sharon Spencer-Drew, Regulatory Compliance Manager, submitted the following written comment on behalf of Harrah's North Kansas City:

COMMENT: 11 CSR 45-7.040(1)(E) Harrah's is seeking clarification for the following: "clearly distinguish ticket-in/ticket-out tickets"—Are they asking us to be able to just record it or actually view it? Tickets will be difficult to view unless each window gets fitted for a fixed camera that can focus in on tickets. This will slow the cage because a special area must be set aside where the cashier can put the ticket for three to five (3-5) seconds for the camera to view. Also, the information on the ticket is hard to distinguish because all tickets look alike. Does this include NRT's?

RESPONSE: The provisions of this subsection require every transaction occurring within or at the casino cashier cages be recorded with sufficient clarity to permit identification of currency, chips, tokens, ticket-in/ticket-out tickets, promotional tickets/coupons, jackpot slips, fill slips, paperwork, employees and patrons. The subsection does not require all information on the ticket be readable; it requires the value be discernible.

Isle of Capri Kansas City and Boonville

Mr. Philip A. Cottrell and Mr. Jeremy J. Miller, Regulatory Compliance Officers for Isle of Capri—Boonville and Isle of Capri—Kansas City respectively, submitted the following written comments:

COMMENT: 11 CSR 45-7.040 Isle of Capri Casinos, Inc. would request this section be further amended in a manner which would allot the casinos one (1) complete twelve (12)-month budget cycle to fulfill the requirements of the amendment. Capital should be secured prior to these improvements in the existing CCTV systems. Approximately forty-five thousand dollars (\$45,000) capital investment would be required to accommodate this proposal.

RESPONSE: The commission realizes the conversion cost and time for some casinos will be significant and will establish a reasonable

effective date for implementation as provided for in 11 CSR 45-7.150(2).

Argosy Casino—Riverside

Mr. Dave Rice, Compliance Administration Manager, and Ms. Karen Moore, Director of Surveillance, for Argosy Casino—Riverside, testified at the public hearing and submitted written comments as follows:

COMMENT: 11 CSR 45-7.040(2)(B) The proposed amendment requiring each licensee to have dedicated surveillance coverage on each slot machine offering a payout of more than two hundred fifty thousand dollars (\$250,000) is excessive. We cannot predict which slot machines may or may not hit before reaching the two hundred fifty thousand dollars (\$250,000) level. In order to comply with the proposed changes, we would be required to add cameras on the floor and would then remove them once the jackpot hits or the machine is moved. In addition, the construction of our ceiling would make it quite challenging to mount a dedicated camera in certain areas.

RESPONSE: None of ten (10) other licensed casino properties in the state saw this requirement as a burdensome issue. In fact, a much larger property felt this requirement very reasonable, knowing that it rarely affected electronic gaming devices other than wide-area progressives.

**Title 11—DEPARTMENT OF PUBLIC SAFETY
Division 45—Missouri Gaming Commission
Chapter 7—Security and Surveillance**

ORDER OF RULEMAKING

By the authority vested in the Missouri Gaming Commission under sections 313.004 and 313.805, RSMo 2000, the commission amends a rule as follows:

11 CSR 45-7.080 Storage and Retrieval is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on September 1, 2006 (31 MoReg 1317-1318). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Missouri Gaming Commission (MGC) received three (3) letters of comment on proposed amendment 11 CSR 45-7.080 Storage and Retrieval. Additionally, a public hearing was held October 19, 2006 at which individuals/groups were provided the opportunity to express their agreement with or concern about the proposed amendment as written. Two (2) individuals testified at the hearing.

Harrah's North Kansas City

Ms. Sharon Spencer-Drew, Regulatory Compliance Manager, submitted the following written comments on behalf of Harrah's North Kansas City:

COMMENT: 11 CSR 45-7.080(1) The proposal to retain thirty (30) day coverage of the turnstiles, cashier cages, main bank and count rooms will require additional VCR tapes and additional space in the equipment room. This requirement will also double the cost in those areas for digital storage. The current requirement of fourteen (14) days storage of all video is already double that of the largest gaming jurisdictions and provides little or no additional safety or advantages for the casino to retain the video for thirty (30) days. Estimated additional cost for VCR storage only is ten thousand dollars (\$10,000) per year.

RESPONSE: The commission realizes the cost may be significant and will establish a reasonable effective date for implementation as provided for in 11 CSR 45-7.150(2).

COMMENT: 11 CSR 45-7.080(1) Harrah's is seeking clarification for the following: "all video recordings from cameras covering the turnstiles and areas within the cashier cages, main banks, and count rooms shall be retained for at least 30 days"—Is this when we go live with digital or is this immediate? If immediate, more tapes must be bought.

RESPONSE: The commission realizes the cost may be significant and will establish a reasonable effective date for implementation as provided for in 11 CSR 45-7.150(2).

Isle of Capri Kansas City and Boonville

Mr. Philip A. Cottrell and Mr. Jeremy J. Miller, Regulatory Compliance Officers for Isle of Capri—Boonville and Isle of Capri—Kansas City respectively, submitted the following written comments:

COMMENT: 11 CSR 45-7.080 Isle of Capri Casinos, Inc. would request this section be further amended in a manner which would allot the casinos three (3) complete twelve (12)-month budget cycles to fulfill the requirements of the amendment. Capital should be secured prior to these improvements in the existing CCTV systems. Approximately four hundred fifty thousand dollars (\$450,000) capital investment would be required to accommodate this proposal.

RESPONSE: The commission realizes the cost may be significant and will establish a reasonable effective date for implementation as provided for in 11 CSR 45-7.150(2).

Argosy Casino—Riverside

Mr. Dave Rice, Compliance Administration Manager, and Ms. Karen Moore, Director of Surveillance, for Argosy Casino—Riverside, testified at the public hearing and submitted written comments as follows:

COMMENT: 11 CSR 45-7.080(1) We have concerns regarding the proposed changes which increases the retention period for certain recordings. It would be difficult for us to be in compliance with this regulation if it passes as written. The way our tapes are labeled and maintained (by day of the week and by color), thirty (30) days would not work. We would be required to spend time and money to re-label and configure our entire tape library. In addition, we do not have the space or storage facilities to add an additional three thousand two hundred (3,200) tapes, which is approximately the number of tapes which would be required. Since this change applies to digital storage, we would request the proposed changes to this regulation not take effect until 2011.

RESPONSE: The commission realizes the cost may be significant and will establish a reasonable effective date for implementation as provided for in 11 CSR 45-7.150(2).

If you want us to notify you that we received your comments, please include a self-addressed, stamped envelope or postcard.

Background

The individuals listed in this notice have recently filed applications requesting MoDOT to issue SPE Certificates to exempt them from the physical qualification requirements relating to vision in 49 CFR 391.41(b)(10), or to diabetes in 49 CFR 391.41(b)(3), which otherwise apply to drivers of CMVs in Missouri intrastate commerce.

Under section 622.555, *Missouri Revised Statutes* (RSMo) Supp. 2005, MoDOT may issue a Skill Performance Evaluation Certificate, for not more than a two (2)-year period, if it finds that the applicant has the ability, while operating CMVs, to maintain a level of safety that is equivalent to or greater than the driver qualification standards of 49 CFR 391.41. Upon application, MoDOT may renew an exemption upon expiration.

Accordingly, the agency will evaluate the qualifications of each applicant to determine whether issuing a SPE Certificate will comply with the statutory requirements and will achieve the required level of safety. If granted, the SPE Certificate is only applicable to intrastate transportation wholly within Missouri.
