**Title 12—DEPARTMENT OF REVENUE
Division 10—Director of Revenue
Chapter 26—Dealer Licensure**

ORDER OF RULEMAKING

By the authority vested in the director of revenue under sections 301.560–301.573, RSMo 2000 and Supp. 2007, the director adopts a rule as follows:

12 CSR 10-26.210 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on June 16, 2008 (33 MoReg 1157–1158). Changes have been made, and those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The department received one (1) letter of support, with suggestions submitted on behalf of the Missouri Independent Automobile Dealers Association, Inc.

COMMENT #1: The commenter suggests, in section (2), adding the phrase “including consumer protection laws” after the word “education” in the first sentence. This would allow consistency with the legislative intent of the enabling statute.

RESPONSE AND EXPLANATION OF CHANGE: After review, the department agrees, and the first sentence in section (2) has been changed accordingly.

COMMENT #2: The commenter suggests, in section (5), the term “classroom setting” may not provide sufficient direction and could be

open to interpretation. The commenter proposes “classroom setting” requirements be added to clarify the intent of the rule.

RESPONSE AND EXPLANATION OF CHANGE: The department is in partial agreement and has amended the section. The department disagrees with the additional requirements proposed, and no further changes will be made.

COMMENT #3: The commenter suggests in subsection (4)(A) the department change “two (2) years experience in the motor vehicle dealer industry” to “three (3) years experience in training motor vehicle dealers in state and federal statutes applicable to the motor vehicle business including consumer protection laws and all subjects listed in section (5)” to prevent almost any employee of a dealer to qualify as an instructor.

RESPONSE AND EXPLANATION OF CHANGE: The department agrees to add the reference to section (5) but feels that requiring three (3) years’ experience is too stringent and would exclude a large group of people from instructing dealer seminars. No other changes will be made.

COMMENT #4: The commenter suggests eliminating subsection (4)(B) or restricting the section to actual co-trainers who possess “three (3) years of experience in training motor vehicle dealers in state and federal statutes applicable to the motor vehicle business including consumer protection laws and all other subjects listed in section (5) above as co-trainer under the direct, personal supervision of a certified instructor” to eliminate qualification of individuals (i.e., dealer receptionists or clerical aides) with little actual knowledge of regulatory matters.

RESPONSE AND EXPLANATION OF CHANGE: The department has eliminated subsection (4)(B).

COMMENT #5: The commenter suggests that only one (1) year experience as an investigator is insufficient and proposes subsection (4)(D) be changed to also require “at least one (1) year of experience in training motor vehicle dealers.”

RESPONSE: The department disagrees with the comment, so no change will be made to what is now subsection (6)(C).

COMMENT #6: The commenter suggests that certain professionals, by virtue of their education, would qualify as instructors and proposes section (4) be changed to add “Attorneys licensed in the State of Missouri, Certified Public Accountants, and persons holding a Masters in Business Administration from an accredited college or university” as qualified instructors.

RESPONSE: The department disagrees with these comments, so no changes have been made to what is now section (6).

COMMENT #7: The commenter suggests adding a provision for denial of certification, renewal, revocation, or an appeal of the director’s action.

RESPONSE AND EXPLANATION OF CHANGE: The department agrees, in part, and sections (8) and (9) have been added.

COMMENT #8: Upon making the suggested comments noted above, the department felt it necessary to reorganize parts of the rule for ease of reference and clarification.

RESPONSE AND EXPLANATION OF CHANGE: Section (2) was split out into what is now sections (2) and (4) for improved formatting/reference regarding seminar provider requirements; a new section (3) was added to clarify the provisions in section (6) of the original rule; what was section (3) is now section (5) because of the changes noted above; section (5) was renumbered to what is now section (7) and revised to clarify that the department licenses seminar providers, rather than seminar instructors; section (6) was renumbered and paraphrased to what is now section (10); and section (7) was renumbered to what is now section (11).

12 CSR 10-26.210 Dealer Seminar Certification Requirements

PURPOSE: Section 301.560, RSMo, requires applicants who apply for a used motor vehicle dealer license to complete a department-approved educational seminar course before their applications for license are approved. This rule clarifies what constitutes an "approved educational seminar" for licensing purposes and the requirements for seminar providers.

(2) A seminar provider must be a recognized business or school with a lawful presence in the state of Missouri and with demonstrable experience in providing professional education, including consumer protection laws, to used motor vehicle dealers. Tangible evidence must be provided that these requirements are met. The provider must submit Form 5110, Application for Dealer Educational Seminar Certification, to be certified by the department. The Application for Dealer Education Seminar Certification, revised March 2008, incorporated by reference, is published by and can be obtained from the Missouri Department of Revenue, PO Box 43, Jefferson City, MO 65105-0043; or on the Department of Revenue's website at <http://www.dor.mo.gov/mvdl/motorv/forms/5110.pdf>. The Application for Dealer Education Seminar Certification does not include any amendments or additions to the March 2008 edition.

(3) The Dealer Educational Seminar Certificate issued by the department is valid for one (1) year as noted on the certificate.

(4) A seminar provider must have—

(A) A minimum of two (2) instructors meeting departmental requirements with the knowledge and capability to conduct the required seminar curriculum. A list of certified instructors must be provided to the director;

(B) Staff capable of providing information about the seminars and registering prospective attendees;

(C) An available telephone number, fax line, and Internet access available during normal working hours (Monday through Friday) to enable potential attendees to inquire about and register for seminars;

(D) A minimum of one (1) scheduled seminar per month, which must be posted on the provider's website at least thirty (30) days in advance. The seminar schedule and locations must be publicized by the provider with registration information and necessary forms obtainable through the provider's website.

1. If a scheduled seminar has no registered attendees and the provider opts to cancel, notification must be posted clearly on the provider's website at least forty-eight (48) hours prior to the seminar's scheduled start time.

2. If advanced cancellation notice is not posted as indicated above, a certified instructor must be at the seminar's scheduled location at the scheduled time;

(E) Capability to issue each attendee a certificate of completion at the end of each seminar; and

(F) An accurate and current electronic database of seminar attendees, maintained by the provider for a minimum of one (1) year. The provider must confirm all seminar attendees' identity through display of a non-expired federal or state-issued photo identification card, with the capability to electronically transmit attendee information to the department as required. These records must be available on demand and are subject to audit by the director without prior notice.

(5) Dealer educational seminar curriculum must be presented in a room in a non-residential building that is dedicated solely to the seminar for the duration of the seminar and compliant with the Americans with Disabilities Act of 1990, 42 U.S.C. section 12101 et seq., as amended. The curriculum must include a minimum of six (6) hours of instruction and provide detailed training regarding compliance with—

(A) Sections 301.550 to 301.573, RSMo, and all rules promulgated by the department to implement, enforce, and administer these statutes;

(B) Federal Trade Commission's Used Car Rule;

(C) Federal Privacy Protection requirements under the Gramm-Leach-Bliley Act;

(D) Truth-in-Lending requirements;

(E) Equal Credit Opportunity Act;

(F) The United States of America Patriot Act;

(G) Federal and state laws and regulations regarding deceptive and unfair trade practices;

(H) Uniform Commercial Code regulations;

(I) U. S. Treasury Department rules and cash reporting requirements; and

(J) Any other federal or state laws regulating the business of selling and financing motor vehicles.

(6) A seminar provider must certify to the director and, upon request, provide evidence to establish that its instructors have, at a minimum, the experience outlined in one (1) of the following minimum qualification requirements—

(A) Two (2) years of experience in the motor vehicle dealer industry with expertise in the areas specified in section (5) of this rule;

(B) One (1) year in an appropriate position with a professional organization associated with the automobile dealer business (e.g., Missouri Automobile Dealers Association, Inc. instructor or Missouri Independent Automobile Dealers Association policy writer); or

(C) One (1) year of experience as an investigator dealing with state and federal motor vehicle dealer compliance laws.

(7) Seminar providers must ensure that their seminar instructors—

(A) Utilize training materials when conducting the seminar;

(B) Incorporate course curriculum into reference/resource manuals to be distributed to attendees and provide periodic updates to ensure current and accurate information applicable to dealer's operations;

(C) Provide instruction using computerized slide presentations and provide worksheets/handouts to each attendee, including compliant sample forms required by state and federal law; and

(D) Make available to the director, upon request, copies of all training materials (manuals, handouts, presentations, etc.) for review.

(8) The director may revoke or refuse to issue or renew a certification of a provider for conducting a seminar not in compliance with this rule, for failing to hold a scheduled seminar, or for any one (1) or any combination of the following causes—

(A) The applicant or seminar provider or its seminar instructor was previously the holder of a license issued under sections 301.550 to 301.573, RSMo, which license was revoked for cause and never reissued by the department, or which license was suspended for cause and the terms of suspension have not been fulfilled;

(B) The applicant or seminar provider or its seminar instructor was previously a partner, stockholder, director, or officer controlling or managing a partnership or corporation whose license issued under sections 301.550 to 301.573, RSMo, was revoked for cause and never reissued or was suspended for cause and the terms of suspension have not been fulfilled;

(C) The applicant or seminar provider or its seminar instructor has, within ten (10) years prior to the date of the application, been finally adjudicated and found guilty, or entered a plea of guilty or nolo contendere, in a prosecution under the laws of any state or of the United States for any offense reasonably related to the qualifications, functions, or duties of any business licensed under sections 301.550 to 301.573, RSMo; for any offense, an essential element of which is fraud, dishonesty, or an act of violence; or for any offense involving moral turpitude, whether or not sentence is imposed;

(D) Use of fraud, deception, misrepresentation, or bribery by the applicant or seminar provider or its seminar instructor in securing any certificate issued pursuant to section 301.560.9, RSMo;

(E) The applicant's or seminar provider's or its seminar instructor's obtaining or attempting to obtain any money, commission, fee, barter, exchange, or other compensation by fraud, deception, or misrepresentation;

(F) The applicant's or seminar provider's or its seminar instructor's violation of, or assisting or enabling any person to violate any provisions of Chapters 301, 306, 307, 407, 578, and 643, RSMo, or of any lawful rule or regulation adopted pursuant to Chapters 301, 306, 307, 407, 578, and 643, RSMo;

(G) The applicant or seminar provider or its seminar instructor has filed an application for certification which, as of its effective date, was incomplete in any material respect or contained any statement which was, in light of the circumstances under which it was made, false or misleading with respect to any material fact;

(H) The applicant or seminar provider or its seminar instructor has failed to pay the proper application or license fee or other fees required pursuant to Chapters 301 or 306, RSMo, or fails to establish or maintain a bona fide place of business as required by law;

(I) The applicant or seminar provider or its seminar instructor is finally adjudged insane or incompetent by a court of competent jurisdiction;

(J) The applicant's or seminar provider's or its seminar instructor's use of any advertisement or solicitation which is false; or

(K) The applicant's or seminar provider's or its seminar instructor's violations of sections 407.511 to 407.556, RSMo, or section 578.120, RSMo, which resulted in a conviction or finding of guilt or violation of any federal motor vehicle laws which result in a conviction or finding of guilt.

(9) The decision to revoke or refuse to issue or renew a certification of a provider is the final decision of the director.

(10) Seminar providers must apply to the department for recertification by September 1 of each year.

(11) Failure to hold scheduled or rescheduled seminars or maintain acceptable standards of training or providing false information to the director will result in the provider's certification becoming invalid upon notice by the director.
