HOW TO CITE RULES AND RSMo

RULES—Cite material in the *Missouri Register* by volume and page number, for example, Vol. 28, *Missouri Register*, page 27. The approved short form of citation is 28 MoReg 27.

The rules are codified in the *Code of State Regulations* in this system—

Title	Code of State Regulations	Division	Chapter	Rule
1	CSR	10-	1.	010
Department		Agency, Division	General area regulated	Specific area regulated

They are properly cited by using the full citation, i.e., 1 CSR 10-1.010.

Each department of state government is assigned a title. Each agency or division within the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

RSMo—The most recent version of the statute containing the section number and the date.

Under this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbology under the heading of the proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety (90)-day-count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

Boldface text indicates new matter.

[Bracketed text indicates matter being deleted.]

**Chapter 51—Broker-Dealers, Agents, Investment
Advisers and Investment Adviser Representatives**

PROPOSED AMENDMENT

15 CSR 30-51.100 Custody of Securities or Funds by Investment Advisers. The commissioner is amending section (1) to update the rule's reference to 17 CFR 275.206(4)-2, is deleting section (2),

which references a no longer effective exception to the federal rule, and adding a new section (2).

PURPOSE: This amendment modifies the existing rule to reflect recent changes to the federal rule it references. As it currently reads, 15 CSR 30-51.100 requires that investment advisers with custody of client funds or securities maintain that custody in accordance with the requirements set forth in 17 CFR 275.206(4)-2(a)(1)-(4) and exempts from that requirement certain investment advisers also registered as broker-dealers. In the time since the rule was last amended, the federal rule has changed, adding transparency requirements, new exceptions from the rule, and definitions of terms used within the rule. This amendment changes 15 CSR 30-51.100(1) to reference 17 CFR 275.206(4)-2 in its entirety, including the new transparency requirements, exceptions from the rule, and definitions, and eliminates 15 CSR 30-51.100(2) and its reference to a no longer effective exception to the federal rule.

PUBLISHER'S NOTE: The secretary of state has determined that the publication of the entire text of the material which is incorporated by reference as a portion of this rule would be unduly cumbersome or expensive. This material as incorporated by reference in this rule shall be maintained by the agency at its headquarters and shall be made available to the public for inspection and copying at no more than the actual cost of reproduction. This note applies only to the reference material. The entire text of the rule is printed here.

(A) The investment adviser maintains custody or possession in accordance with the requirements set forth in 17 CFR 275.206(4)-2; and

(B) All items required to be filed with the U.S. Securities and Exchange Commission (SEC) under 17 CFR 275.206(4)-2 are filed, through the Investment Advisor Registration Depository (IARD) System, with the commissioner.

[(2) An investment adviser who is also registered as a broker-dealer may comply with 17 CFR Section 275.206(4)-2(b) with respect to custody in lieu of the requirements set forth in 17 CFR 275.206(4)-2(a)(1)-(4).]

This rule does not incorporate any subsequent amendments or additions.

AUTHORITY: sections 409.4-411(f) and 409-6.605, RSMo Supp. [2004] 2011. Original rule filed June 25, 1968, effective Aug. 1, 1968. For intervening history, please consult the Code of State Regulations. Amended: Filed May 1, 2012.

**Title 15—ELECTED OFFICIALS
Division 30—Secretary of State
Chapter 51—Broker-Dealers, Agents, Investment
Advisers, and Investment Adviser Representatives**

PROPOSED AMENDMENT

15 CSR 30-51.180 Exemptions from Registration for Broker-Dealers, Agents, Investment Advisers, and Investment Adviser Representatives. The commissioner is deleting old section (6) and adding a new section (6).

PURPOSE: This amendment makes changes to a rule that, due to federal law changes, has been effectively mooted. Current 15 CSR 30-51.180(6) exempts certain investment advisers from the registration requirements of the Missouri Securities Act of 2003. The Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act") repealed a federal exemption that the current 15 CSR 30-51.180(6) relied upon to exempt those investment advisers. The Dodd-Frank Act put in place other, statutorily-different exemptions for some investment advisers. This amendment modifies 15 CSR 30-51.180(6) to rely upon the new federal exemptions and allow Missouri's previously-exempt investment advisers to continue operating.

[(6) Exemption from Investment Adviser Registration for Certain Investment Advisers.

(A) An investment adviser is exempt from the registration requirements of section 409.4-403 provided the following conditions are met:

1. The investment adviser is exempt from registration under section 203(b)(3) of the Investment Advisers Act of 1940 (15 U.S.C. section 80b-3(b)(3)); and

2. The investment adviser engages in the business of providing investment advice to fifteen (15) or fewer clients.

(B) Definitions. For the purposes of this section:

1. "Assets under management" includes amounts currently under management and any amount payable to such entity pursuant to a firm agreement or similar binding commitment pursuant to which a person has agreed to acquire an interest in, or make capital contributions to, the entity upon demand of such entity;

2. The term "client" means an entity that:

A. Would be an investment company under section 3(a) of the Investment Company Act of 1940 (15 U.S.C. section 80a-3(a)) but for the exception provided by sections 3(c)(1) or 3(c)(7) of that Act;

B. Only has owners that qualified at the time that they invested as either:

(I) An "accredited investor" as defined at 17 CFR section 230.501(a); or

(II) A qualified client as that term is defined at 17 CFR section 275.205-3(d)(1)(iii); and

C. Immediately after entering into the contract with the investment adviser has at least five (5) million dollars (valued at historical cost) in assets under management with the investment adviser.]

(6) Exemption for Investment Advisers to Private Funds.

(A) Definitions. For purposes of this regulation, the following definitions shall apply:

1. "Private fund adviser" means an investment adviser who provides investment advice solely to one (1) or more qualifying

private funds;

2. “Qualifying private fund” means a private fund that meets the definition of a qualifying private fund in U.S. Securities and Exchange Commission (SEC) Rule 203(m)-1, 17 *Code of Federal Regulations* (CFR) 275.203(m)-1;

3. “3(c)(1) fund” means a qualifying private fund that is eligible for the exclusion from the definition of an investment company under Section 3(c)(1) of the Investment Company Act of 1940, 15 U.S.C. 80a-3(c)(1); and

4. “Venture capital fund” means a private fund that meets the definition of a venture capital fund in SEC Rule 203(l)-1, 17 CFR 275.203(l)-1.

(B) A private fund adviser is exempt from registering as an investment adviser under section 409.4-403, RSMo, if—

1. Neither the private fund adviser nor any of its advisory affiliates are subject to a disqualification as described in Rule 262 of SEC Regulation A, 17 CFR 230.262;

2. The private fund adviser files with the commissioner each report and amendment thereto that an exempt reporting adviser is required to file with the SEC pursuant to SEC Rule 204-4, 17 CFR 275.204-4; and

3. In the event the private fund adviser advises at least one (1) 3(c)(1) fund that is not a venture capital fund, then the private fund adviser also—

A. Reasonably believes that those 3(c)(1) funds (other than venture capital funds) are beneficially owned by persons that qualify as either—

(I) An “accredited investor” as defined by 17 CFR 230.501(a)(1), (2), (3), (4), (5), (7), or (8). For purposes of this section, an “accredited investor” under 17 CFR 230.501(a)(8) excludes any entity which has an equity owner that only qualifies as an accredited investor under 17 CFR 230.501(a)(6); or

(III) Any other material information affecting the rights or responsibilities of the beneficial owners; and

C. Delivers or causes to be delivered annually to each beneficial owner of the fund financial statements of each 3(c)(1) fund that is not a venture capital fund.

(C) The report filings described in paragraph (6)(B)2. above shall be made electronically through the Investment Advisor Registration Depository (IARD). For purposes of this section, a report is filed when the report is accepted by the IARD on the state’s behalf.

(D) The above notwithstanding, a private fund adviser includes an investment adviser that:

1. Before the effective date of this rule, was exempt from registration in reliance on 15 CSR 30-51.180(6);

2. Advises a fund that—

A. The private fund adviser advised before the effective date of this rule;

B. Has one (1) or more owners who, before the effective date of this rule, the private fund adviser reasonably believed qualified as an “accredited investor” as defined by 17 CFR 230.501(a)(6); and

C. After the effective date of this rule, only sells its securities to persons who qualify as either—

(I) An “accredited investor” as defined by 17 CFR 230.501(a)(1), (2), (3), (4), (5), (7), or (8). For purposes of this section, an “accredited investor” under 17 CFR 230.501(a)(8) excludes any entity which has an equity owner that only qualifies as an accredited investor under 17 CFR 230.501(a)(6); or

(II) A “qualified client” as defined by 17 CFR 275.205-3(d)(1)(iii); and

3. Otherwise complies with the requirements of this rule.

Title 17—BOARDS OF POLICE COMMISSIONERS
Division 20—St. Louis Board of Police Commissioners
Chapter 2—Private Security Officers

PROPOSED AMENDMENT

17 CSR 20-2.015 Administration and Command of the Private Security Section. The board is amending sections (1)–(3).

PURPOSE: This amendment clarifies that the licensing of private detectives in the City of St. Louis is now under the jurisdiction of the state of Missouri and corrects typographical errors.

(1) Board of Police Commissioners. The St. Louis Board of Police Commissioners (referred to as the board) is established by state statute and consists of five (5) members, four (4) of whom are appointed by the governor. The Mayor of the City of St. Louis serves as *ex officio* member. The board has sole charge and control of the metropolitan police department of the City of St. Louis and of the licensing, regulation, and discipline of all corporate security advisors, private security officers, private watchmen, and couriers in the City of St. Louis. Private detectives are licensed by the [license collector's office of the City of St. Louis] state of Missouri, not by the board of police commissioners. [The board relegated that responsibility to the city license collector's office.]

(2) Private Security Section. The private security section is responsible for the interviewing, investigating, processing, licensing, inspection, and supervision of all persons working or acting as licensed security officers or any other variety of titles in the City of St. Louis. The private security section is further responsible for issuing and transferring all such licenses, for reinstatements, for periodic inspection of license holders, for liaison with all suppliers of security personnel in the city, for maintenance of a personnel file on all applicants in the City of St. Louis, and for publishing, within the department, information of all terminations of employment of security personnel. [The private security section also conducts background investigations on private detective/investigator applicants as requested by the license collector's office. A processing fee for these background investigations will be charged by the private security section to all applicants for

a private investigator's license. The decision to issue a license is made by the license collector's office.]

(3) Private Security Personnel. The St. Louis Metropolitan Police Department Private Security Program has four (4) distinct classifications of personnel. A definition of each classification is listed as follows:

(A) Corporate security advisor. A person employed to provide all services rendered by a private security officer, as well as other specialized corporate security services related to the protection of his/her employer's/principal's resources and personnel. A licensed corporate security advisor may carry a firearm and protective devices in accordance with the guidelines established in these rules. PROPOSED AMENDMENT

17 CSR 20-2.035 Licensing. The board is amending sections (1), (2), (6), and (9).

PURPOSE: This amendment eliminates the restriction that a private security officer cannot simultaneously be licensed as a private detective or process server.

(1) General Procedures. Each applicant must appear in person at the office of the private security section. Each applicant must complete an application form. S/he must provide all information requested in the application for a determination of his/her qualifications to hold a

license as a private security officer. Each applicant must present a current letter (no older than ten (10) days) from the intended employer where the proposed employer states an intention to hire the applicant. Prior to an application being processed by the private security section, a criminal history inquiry will be made through the St. Louis Police Department's computer terminal. If the inquiry reveals that the applicant has an open criminal arrest record, s/he will be required to obtain a certified final court disposition or a report from a circuit or prosecuting attorney. If the case is still open, the application process will not be completed until a final disposition is obtained. Police officers from other jurisdictions including St. Louis County Police, St. Louis Airport Police, St. Louis Deputy Sheriffs, and St. Louis City Marshals, serving or acting as private security officers do not possess police powers at the location of their assignments in the City of St. Louis unless licensed by the board of police commissioners of the City of St. Louis.

(A) All St. Louis Airport Police Officers, St. Louis Deputy Sheriffs, and St. Louis City Marshals desiring to obtain a **private** security license to work as **private** security officers in the City of St. Louis will be processed and trained through the St. Louis Metropolitan Police Department Private Security Section.

[(H)](3) In specific circumstances, with the consent of the chief of

police, uniformed security officers may be empowered to direct traffic on city streets adjacent to their employer's property, provided they have successfully completed a training program in traffic direction and control, sponsored by the Traffic Safety Division of the St. Louis Metropolitan Police Department; *and*].

Title 17—BOARDS OF POLICE COMMISSIONERS Division 20—St. Louis Board of Police Commissioners Chapter 3—Rules for Couriers

PROPOSED AMENDMENT

17 CSR 20-3.015 Administration and Command of the Private Security Section. The board is amending sections (1)–(3).

PURPOSE: This amendment clarifies that the licensing of private detectives in the City of St. Louis is now under the jurisdiction of the state of Missouri.

(1) Board of Police Commissioners. The St. Louis Board of Police Commissioners (also referred to as the board) is established by state statute and consists of five (5) members, four (4) of whom are appointed by the governor. The Mayor of the City of St. Louis serves *ex officio*. The board has sole charge and control of the Metropolitan Police Department of the City of St. Louis and of the licensing, regulation, and discipline of all corporate security advisors, private security officers, private watchmen, and couriers in the City of St. Louis. Private detectives are licensed by the *[license collector's office of the City of St. Louis] State of Missouri*, not by the board of police commissioners. *[The board relegated that responsibility to the city license collector's office.]*

(2) Private Security Section. The private security section is responsible for the interviewing, investigating, processing, licensing, inspection, and supervision of all persons working or acting as licensed *[security officers] couriers* or any other variety of titles in the City of St. Louis. The private security section is further responsible for issuing and transferring all such licenses, for reinstatements, for periodic inspection of license holders, for liaison with all suppliers of security personnel in the city, and for maintenance of a personnel file on all applicants in the City of St. Louis.

(3) Private Security Personnel. The St. Louis Metropolitan Police Department private security program has four (4) distinct classifications of personnel. A definition of each classification is listed as follows:

(A) Corporate *[S]security [A]advisor*. A person employed to provide all services rendered by a private security officer, as well as other specialized corporate security services related to the protection of his/her employer's/principal's resources and personnel. A licensed corporate security advisor may carry a firearm and protective devices in accordance with the guidelines established in these rules. S/he shall be authorized to exercise the same police powers granted to private security officers while on his/her employer's/principal's property.

However, the corporate security advisor's power and authority shall not be restricted to that property, but shall be coextensive with the geographic limits of the City of St. Louis and St. Louis County (as defined in [17 CSR 20-5.055] 17 CSR 20-5.065);

(B) Private [S/security [O]officer. A person employed with certain police powers (as defined in 17 CSR 20-2.065) to protect life or property on or in designated premises. The private security officer's powers exist only within the established property owned or leased by the contracting employer and to incidents occurring on the premises. The private security officer may carry a firearm providing this individual is qualified (as defined in 17 CSR 20-2.055). Authorization to carry a firearm is designated on the badge/identification (ID) card. The private security officer, whether armed or unarmed, may carry a baton, nightstick, pepper mace, and handcuffs after training requirements have been satisfied;

(D) Private [W/watchman. A person employed without police powers and without authorization to carry weapons or protective devices. This individual will perform the tasks of observation and reporting on or in a licensed premise or designated area. This may include patrolling the public street. The private watchman shall be in an approved company uniform. The private watchman has no power of arrest. Note: The private watchman will only be allowed to obtain additional licenses in the private watchman classification.

Chapter 9—Internal Control System

ORDER OF RULEMAKING

By the authority vested in the Missouri Gaming Commission (MGC) under section 313.805, RSMo Supp. 2011, the commission amends a rule as follows:

11 CSR 45-9.118 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on January 17, 2012 (37 MoReg 106). Changes have been made to the *Minimum Internal Control Standards* (MICS) as incorporated by reference in Chapter R, and those changes are explained in the comments below. Changes have been made to the text of the proposed amendment, so it is reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: A public hearing was held on this proposed amendment on February 29, 2012. No one commented at the public hearing. Mike Winter, Executive Director of the Missouri Gaming Association, submitted the following comments on behalf of the industry.

COMMENT #1: In section 7.01 (FFF), we would suggest the title of the form be wire transfer receipt form.

RESPONSE: This form is mentioned in the final rules of Chapter H and cannot be changed until we can rewrite Chapters H and R at the same time.

COMMENT #2: In section 7.01 (FFF)(1), modify this to read—date and time of request.

RESPONSE AND EXPLANATION OF CHANGE: Changed as requested.

COMMENT #3: In section 7.01 (FFF)(9), we are assuming your intent is this should be the patron's account name. We would ask for some clarification on this item.

RESPONSE AND EXPLANATION OF CHANGE: Changed to "name of the patron's bank account."

COMMENT #4: In section 7.01 (FFF)(11), we are again assuming that this is the patron's account number and would ask for clarification.

RESPONSE AND EXPLANATION OF CHANGE: Changed to "patron's bank account number."

COMMENT #5: In section 7.01 (FFF)(13), we would also ask for some clarification if on (13) this is the confirmation number for the transaction.

RESPONSE AND EXPLANATION OF CHANGE: This is the tracking or confirmation number; however, to be consistent with Chapter H, we will refer to it as the "transaction number."

COMMENT #6: In section 7.01 (GGG)(5), given the sensitivity of patrons' social security numbers, if a property is already asking for proper identification by driver's license, would that not suffice rather than requiring patrons to submit social security numbers?

RESPONSE AND EXPLANATION OF CHANGE: Changed to remove the requirement to list the social security number.

COMMENT #7: In section 7.01 (GGG)(7), we question why bank fees should be included on the form since this is a matter between the patron and their own financial institution.

RESPONSE: This requirement is on forms currently being used in Missouri. By knowing the amount of the bank fees, the disposition of all the wired funds can be verified.

COMMENT #8: In section 7.01 (GGG)(8), we would suggest adding the word "out" so that this reflects total amount wired out alpha and numeric.

RESPONSE AND EXPLANATION OF CHANGE: Added "out" to the requirement.

COMMENT #9: For section 7.01 (GGG)(17), in order to be consistent with form (FFF) should this also relate to the accounting representative rather than the staff accountant's signature?

RESPONSE: The staff accountant must be someone independent of the daily audit. The accounting representative is required to do the daily accounting audit in MICS, Chapter H section 20.06. These are different job positions. No change is made in response to this comment.

COMMENT #10: Section 7.01 (HHH) addresses Bad Beat/Special Hands Jackpot Payout Form. Since the form addresses two (2) issues, would the MGC consider allowing a company to split this out to two (2) separate forms if they wanted to handle it in this manner or continue to use a single form?

RESPONSE: The MGC would allow two (2) forms to be submitted to meet this form's requirements.

11 CSR 45-9.118 Minimum Internal Control Standards (MICS)—Chapter R

Chapter R does not incorporate any subsequent amendments or additions as adopted by the commission on March 28, 2012.

SUMMARY OF COMMENTS: No comments were received.

**Title 13—DEPARTMENT OF SOCIAL SERVICES
Division 70—MO HealthNet Division
Chapter 3—Conditions of Provider Participation,
Reimbursement and Procedure of General Applicability**

ORDER OF RULEMAKING

By the authority vested in the MO HealthNet Division under section 208.201, RSMo Supp. 2011, the division adopts a rule as follows:

13 CSR 70-3.240 MO HealthNet Primary Care Health Homes is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on January 17, 2012 (37 MoReg 106-110). No changes have been made in the text of the proposed rule, so it is not reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The MO HealthNet Division received a total of two (2) letters of comment on the proposed rule.

COMMENT #1: One (1) letter of comment was received from Joel Kurzman, National Association of Chain Drug Stores (NACDS), recommending that the Primary Care Health Home (PCHH) program should incorporate the healthcare services provided by community pharmacists to reduce the problem of poor medication adherence. The NACDS urges the division to explicitly clarify that PCHH services would include “medication therapy management offered by community pharmacists.” Finally, the NACDS encourages the division to maximize the number of individuals who are eligible to participate in the PCHH program so that patients with other types of chronic conditions (such as HIV/AIDS, mental health conditions, etc.) may benefit from the coordination of care services.

RESPONSE: The division fully agrees that community pharmacists play an essential role in educating patients about the appropriate use of their prescription medication, thereby improving coordination of care. The division encourages health homes to include pharmacists in their health home teams as stated in subsection (3)(A) of this rule. In addition, the division already facilitates reimbursement to enrolled pharmacists for Medication Therapy Management (MTM) for all patients, not just those in the PCHH program. Providers may obtain additional information regarding provision of MTM services by going to the division’s website at www.dss.mo.gov/mhd and clicking

on the Clinical Services tab, then on CyberAccess, and reviewing the CyberAccess Flyer.

Regarding the NACDS recommendation that the PCHH program include other types of chronic conditions, the division chose to adhere to the list of chronic disease states in Section 2703 of the Affordable Care Act that traditionally yield improved outcomes through disease management. Participants with serious mental illness (SMI) are candidates for the Community Mental Health Center health home program. No changes have been made to the rule as a result of this comment.

COMMENT #2: One (1) letter of comment was received from Brian Bowles, Missouri Association of Osteopathic Physicians and Surgeons (MAOPS), recommending changing the name from “Health Home” to “Medical Home” as this better describes the type of services represented. Section 334.021, RSMo, is also referenced, stating that only osteopathic (DO) and allopathic (MD) physicians are licensed to practice “comprehensive medical care” in Missouri. In addition, MAOPS feels that the services should be physician-led, not nurse practitioner-led, as nurse practitioners must practice in a collaborative agreement with a physician. Further, MAOPS recommends the use of the term “family medicine” in place of “family practice” in subsection (3)(A) and throughout the rule.

RESPONSE: Section 2703 of the Affordable Care Act amends Title XIX of the Social Security Act by adding the following new section: “Sec. 1945. State Option to Provide Coordinated Care Through a Health Home for Individuals with Chronic Conditions.” The term “Health Home” is used throughout the section to describe the services and requirements for planning grants awarded to states. The division received approval from the Centers for Medicare and Medicaid Services (CMS) for such a planning grant and, therefore, believes the term Primary Care Health Home (PCHH) is appropriate and in accordance with the federal directive.

The division in no way diminishes or disregards the importance of either an osteopathic (DO) or allopathic (MD) physician’s role within the PCHH model. As MAOPS has indicated, a Missouri-licensed nurse practitioner must have a collaborative practice agreement with a physician, which is also a requirement of all nurse practitioners enrolled with MO HealthNet. All patients will continue to receive regular non-PCHH medical benefits as usual, including those provided by physicians as needed, in addition to their PCHH services. The division is not in a position to adopt the use of the term “family medicine” in place of “family practice,” nor does the division believe this is germane to the purposes of this regulation. Both terms are used commonly and interchangeably to describe a specialty of primary care physician services. No changes have been made to the rule as a result of this comment.

licensee confusion, the proposed amendment is being withdrawn. The geologist licensees will be moving from a biennial to annual renewal for the 2012 renewal period and will resume a biennial renewal with the 2013 renewal cycle.
