SUMMARY OF COMMENTS: No comments were received.

Title 15—ELECTED OFFICIALS
Division 40—State Auditor
Chapter 3—Rules Applying to Political Subdivisions

ORDER OF RULEMAKING

By the authority vested in the State Auditor's Office under section 105.145, RSMo Supp. 2014, the State Auditor's Office amends a rule as follows:

15 CSR 40-3.030 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on November 3, 2014 (39 MoReg 1777). Changes have been made to the text of the proposed amendment, so it is reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The State Auditor's Office received three (3) comments from Carl Lumley of Curtis, Heinz, Garrett & O'Keefe, P.C.

COMMENT #1: Carl Lumley of Curtis, Heinz, Garrett & O'Keefe, P.C. requested a "safe harbor" provision to be added that would allow municipalities to simply confirm that their total municipal court fines and costs from traffic and all other type of ordinance violations collected was less than thirty percent (30%). Mr. Lumley further states that the statute only requires an "accounting" while the proposed rule requires the "percentage."

RESPONSE AND EXPLANATION OF CHANGE: The request for a so-called safe harbor is outside the purview of the amendment change. The safe harbor requested would lower the requirement under the statute which this office has no authority to do. However, staff agrees to change the language from percentage to accounting in accordance with the statute.

COMMENT #2: Carl Lumley of Curtis, Heinz, Garrett & O'Keefe, P.C. states that the rule does not provide a definition for the terms general operating revenue and traffic violations.

RESPONSE: The staff does not believe that it should provide a definition for the terms general operating revenue or traffic violation for the purpose of filing an annual financial statement pursuant to section 105.145, RSMo.

COMMENT #3: Carl Lumley of Curtis, Heinz, Garrett & O'Keefe, P.C. states that the total public cost of less than five hundred dollars (\$500) was not in good faith.

RESPONSE: Senate Bill 141 from which the language of the rule comes from had a zero (0) fiscal impact attached. As such, the staff disagrees the estimate was not in good faith.

15 CSR 40-3.030 Annual Financial Reports of Political Subdivisions

(1) An annual financial report shall be filed with the State Auditor's Office by every political subdivision. The annual financial report shall be set forth on the financial report form available from the State Auditor's Office and on its website, or may be in a form determined by the political subdivision which shall contain, as a minimum, the following:

(H) An accounting of the percent of annual general operating revenue from fines and court costs from traffic violations, including amended charges from any charged traffic violation, occurring within the city, town, village, or county and charged in the municipal court of that city, town, village, or county.

(3) Notwithstanding any other provision of this rule, a political subdivision whose cash receipts for the reporting period are ten thousand dollars (\$10,000) or less may file an annual financial report in a form

determined by the political subdivision which need only contain the following:

(F) An accounting of the percent of annual general operating revenue from fines and court costs from traffic violations, including amended charges from any charged traffic violation, occurring within the city, town, village, or county and charged in the municipal court of that city, town, village, or county.

**Title 19—DEPARTMENT OF HEALTH AND
SENIOR SERVICES**

**Division 20—Division of Community and Public Health
Chapter 12—Protection Against Non-Ionizing Radiation**

ORDER OF RULEMAKING

By the authority vested in the Missouri Department of Health and Senior Services under section 577.665, RSMo Supp. 2014, the department adopts a rule as follows:

19 CSR 20-12.010 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on October 1, 2014 (39 MoReg 1569-1572). Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Department of Health and Senior Services received one (1) letter with one (1) comment, and one (1) comment from department staff.

COMMENT #1: Lynn Cornelius, M.D., representing the Missouri Dermatological Society Association (MDSA), commented that the standard consent form proposed by the department is incomplete as it does not provide any specific health risks associated with indoor tanning devices or warnings about the tanning devices referenced in subsections (2) and (3) of section 577.665, RSMo.

RESPONSE AND EXPLANATION OF CHANGE: In consideration of the comment, the consent form has been revised to direct parents to creditable information sources regarding tanning risks and associated warnings. The revised form will provide a source for the information without giving specifics which could become outdated as soon as new information from these sources is released.

COMMENT #2: Department staff commented that section 577.665.2, RSMo, requires a parent or guardian to sign a written statement acknowledging that the parent or guardian has read and understands “the” warnings given by the tanning facility, but the proposed consent form instead refers to “any” warnings given by the tanning facility.

RESPONSE AND EXPLANATION OF CHANGE: The department has changed the word “any” to “the” on the consent form, to match the wording of the statute.

**Title 4—DEPARTMENT OF ECONOMIC
DEVELOPMENT
Division 340—Division of Energy
Chapter 2—Energy Set-Aside Fund**

IN ADDITION

Notification: Applications accepted between April 1, 2015 and June 30, 2015 for Energy Efficiency and Renewable Energy Supplemental Loan Cycle.

The Missouri Department of Economic Development's (department) Division of Energy is making available approximately three million five hundred thousand dollars (\$3,500,000) in loan financing for qualified energy efficiency and renewable energy projects. Energy-saving investments may include projects such as insulation, lighting systems, heating and cooling systems, combined heat and power, pumps, motors, aerators, renewable energy systems, and other measures that reduce energy use and cost. Recipients repay loans with money saved on energy costs.

Eligible Energy-Using Sectors: Loan funds will be allocated to eligible energy-using sectors as follows:

- Public Schools (K-12): twenty-five percent (25%) of available funds;
- Public Higher Education Institutions: twenty-five percent (25%) of available funds;
- Public Hospitals: twenty-five percent (25%) of available funds;
- Local Governments: twenty-five percent (25%) of available funds. Local governments include a county, city, or village (which may include water treatment plants or waste water facilities); or any hospital district as defined in section 206.010, RSMo; or any sewer district as defined in section 249.010, RSMo; or any water supply districts as defined in section 247.010, RSMo; or any ambulance district as defined in section 190.010, RSMo; or any subdistrict of a zoological park and museum district as defined in section 184.352, RSMo.

Application Procedures: An application for loan funds may be submitted to the department for the purpose of financing all or a portion of the cost of implementing an energy-saving project.

Each applicant may apply for a loan not to exceed seven hundred fifty thousand dollars (\$750,000). Loan applications will not be considered for less than ten thousand dollars (\$10,000) or with a payback score of less than six (6) months.

If funds remain after review and priority ranking of applications, the department will consider awarding loans in excess of seven hundred fifty thousand dollars (\$750,000).

Requests for loan financing must be made using the Division of Energy's Energy Loan Program Application Authorization Form, Fuel Use Summary Form, and Energy Conservation Measure Summary Form. Application forms and instructions are available on the department's website: <http://www.ded.mo.gov/division-of-energy/financial/energy-loan-program>.

The Application Authorization Form must be signed and dated by an authorized official. An authorized official is an individual with authority to obligate an eligible applicant to the terms of loan agreement and promissory note to repay loan proceeds.

A paper or electronic copy of the signed original Application Authorization Form and required documents may be submitted to the department's address below.

Applications received after June 30, 2015 will not be considered for a loan award for this supplemental 2015 cycle, but may be held for consideration during subsequent application cycles.

The department may request additional information as needed to determine the feasibility of a project, the project's estimated annual energy savings, and financial risks of a loan transaction. Also, an energy conservation measure has the potential of affecting other areas within your facility or system. Applicants must have no outstanding actions for violations of applicable federal, state, or local laws, ordinances, and rules.

Interest Rates: Loan principal plus two and one-half percent (2.5%) interest is to be repaid to the department in semi-annual payments not to exceed a ten- (10-) year repayment period. An administrative fee of one percent (1%) of loan principal will be added to the repayment amount.

Selection Criteria: Recipients of loan financing will be determined on a competitive basis. Applications will be ranked based on the project's payback score, which is determined by dividing the cost to implement a project by the estimated yearly energy cost savings. Projects with the lowest payback score in each sector allocation will be funded until all available funds are allocated. If all funds are not allocated in any one (1) sector after ranking payback scores, the department may allocate funds to other sectors. Loan applications will be approved or disapproved by September 28, 2015.

SUMMARY: This notice publishes MoDOT's receipt of applications for the issuance of Skill Performance Evaluation (SPE) Certificates from individuals who do not meet the physical qualification requirements in the Federal Motor Carrier Safety Regulations for drivers of commercial motor vehicles in Missouri intrastate commerce because of impaired vision or an established medical history or clinical diagnosis of diabetes mellitus currently requiring insulin for control. If granted, the SPE Certificates will authorize these individuals to qualify as drivers of commercial motor vehicles (CMVs), in intrastate commerce only, without meeting the vision standard prescribed in 49 CFR 391.41(b)(10), if applicable, or the diabetes standard prescribed in 49 CFR 391.41(b)(3).

Background

The individuals listed in this notice have recently filed applications requesting MoDOT to issue SPE Certificates to exempt them from the physical qualification requirements relating to vision in 49 CFR 391.41(b)(10), or to diabetes in 49 CFR 391.41(b)(3), which otherwise apply to drivers of CMVs in Missouri intrastate commerce.

Under section 622.555, RSMo Supp. 2014, MoDOT may issue an SPE Certificate, for not more than a two- (2-) year period, if it finds that the applicant has the ability, while operating CMVs, to maintain a level of safety that is equivalent to or greater than the driver qualification standards of 49 CFR 391.41. Upon application, MoDOT may renew an exemption upon expiration.

Accordingly, the agency will evaluate the qualifications of each applicant to determine whether issuing an SPE Certificate will comply with the statutory requirements and will achieve the required level of safety. If granted, the SPE Certificate is only applicable to intrastate transportation wholly within Missouri.

REGISTRATION**

IN ADDITION

Pursuant to section 376.1224, RSMo, regarding the maximum prescribed insurance benefit for the coverage of applied behavior analysis for the treatment of autism, the director of Insurance, Financial Institutions and Professional Registration is required to calculate the new maximum each year to adjust for inflation.

Using Consumer Price Index (CPI) for All Urban Consumers, as required by section 376.1224, RSMo, the new maximum required benefit was established by the following calculations:

Index Based on 1984 Dollars

CPI for 2013: 232.957

CPI for 2014: 236.736

New ABA Mandated Maximum Benefit = 2014 Limit × (2014
