Technology Ladder - \$48,822

Scenic Regional Library - \$17,863

The Library will purchase two digital microfilm scanners to replace three non-functional microfilm readers at two branch locations – Union and Warrenton. The new machines will be easier to use and maintain, have improved clarity of image, and allow output into multiple formats.

Springfield-Greene County Library District - \$10,553

The Library will create a Business and Nonprofit Center to include four computer workstations, an Apple laptop, a 27-inch panel monitor, a color printer, and Adobe Indesign software. The Center will provide a one-stop-shop where the public can research valuable business and foundation databases, job opportunities, and design business and promotional items. Individuals can work alone or collaborate as a group. Additional help will be available through the district's Business Librarian, reference staff, and representatives from SCORE and the Small Business Administration (SBA).

St. Joseph Public Library - \$20,406

The Library will replace 38 public access desktop computers and 10 laptop computers used for training purposes. The new equipment will better meet current patron demand and expectations.
