
Rules of Department of Social Services

Division 50—Division of Health

SPECIAL NOTICE

Chapters 10 Through 16

By Executive Order 79-9, Section 3, the powers, duties and functions relating to convalescent, nursing and boarding homes vested in the Division of Health were transferred to the newly-created Division of Aging. The Omnibus Nursing Home Act of 1979 repealed section 198.081, RSMo (1978), cited by the Division of Health as its statutory rulemaking authority regarding nursing homes and simultaneously enacted sections 198.076, 198.079 and 198.099, RSMo (Supp. 1979) granting rulemaking authority regarding the same subject matter to the Department of Social Services. The department has acted upon its authority through Division of Aging rules found at 13 CSR 15-10, through 13 CSR 15-16.

Owing to these facts, the secretary of state considers those Division of Health rules contained in chapters 13 CSR 50-10 through 13 CSR 50-16 terminated under section 536.022, RSMo (Supp. 1979) and so has removed them from the *Code of State Regulations*.
