As a state regulatory agency, the commission and its staff are held to the highest ethical and professional standards and must conduct all business in a manner which maintains the public trust. Furthermore the commission is charged with insuring the integrity of the legalized gaming in Missouri. Therefore, the following Code of Ethics prescribes measures to prohibit practices that possess a potential of wrong-doing or the appearance of impropriety.

11 CSR 45-1.100 Waivers and Variances

PURPOSE: This rule permits licensees to apply for and receive waivers or variances to regulatory requirements.

(1) The commission may waive or grant a variance from the provisions of Title 11, Division 45, Chapters 1–31 of the *Code of State Regulations* upon a licensee's written application, if the commission determines that the waiver or variance is in the best interests of the public. Any waiver or variance granted pursuant to this section constitutes an order of the commission pertaining to gaming, violation of which subjects a licensee to discipline under section 313.812.14(2), RSMo.

(2) In granting any variance authorized by this section, the commission may impose certain conditions and restrictions with which the licensee must comply to accept and use the variance. Failure to meet the conditions or restrictions contained in the variance will immediately render the variance void, and the licensee may be subject to discipline in the same manner as if the variance had never been issued.
