PUBLIC SAFETY****Division 80—Division of Water Safety
Chapter 2—Diver's Flag Regulations****11 CSR 80-2.010 Diver's Flag**

PURPOSE: The Division of Water Safety, Department of Public Safety shall establish safety standards for divers for the public health and welfare. This rule establishes diver's flag regulations.

- (1) The flag shall be rectangular and a minimum of twelve inches by sixteen inches (12" × 16"). The flag shall be red in color except for a two inch (2") white diagonal stripe running from top left to lower right corner.
- (2) All diving shall be within a fifty (50)-yard radius of the flag.
- (3) No boat operator shall knowingly operate within fifty (50) yards of the flag.
- (4) No diving flag shall be placed so as to impede the normal flow of motorboat traffic unless by special permission of the Division of Water Safety. Special permission may be obtained by writing to the Division of Water Safety, P.O. Box 603, Jefferson City, MO 65102-0603, fifteen (15) days before the water activity.
- (5) Any diver not complying with this law or any boat operated within fifty (50) yards of the diver flag shall be guilty of a misdemeanor and upon conviction shall be punished by law as provided by section 306.217(4), RSMo (1986).
- (6) Flags must be displayed so that the top of the flag shall be a minimum of three feet (3') above the water if they are displayed on any type of bouyant device with the exception of a boat or a raft; then displayed so as to be visible at a three hundred sixty degree (360°) angle.
- (7) The flag shall be exhibited only during diving operation.
