**Title 12—DEPARTMENT OF
REVENUE
Division 10—Director of Revenue
Chapter 26—Dealer Licensure**

**12 CSR 10-26.010 Bona Fide Established
Place of Business**

PURPOSE: The department must determine that applicants/licensees such as boat dealers, boat manufacturers, trailer dealers, trailer manufacturers, motor vehicle dealers, wholesale motor vehicle dealers, motor vehicle manufacturers, public motor vehicle auctions, and wholesale motor vehicle auctions maintain a bona fide established place of business. This rule establishes criteria that may be used in determining if this requirement has been met.

(1) In order to constitute a bona fide established place of business, hereinafter referred to as a “business location,” for boat dealers, boat manufacturers, motor vehicle dealers other than dealers who sell only emergency vehicles, motor vehicle manufacturers, wholesale motor vehicle dealers, public motor vehicle auctions, trailer dealers, trailer manufacturers, powersport dealers, and wholesale motor vehicle auctions—

(A) The business location must be actually occupied and primarily used in whole, or in clearly designated and segregated part, as a place of business by the licensee for the manufacturing, selling, auctioning, bartering, trading, servicing, or exchanging of motor vehicles, trailers, boats, or powersports.

1. Example: An applicant for a motor vehicle dealer license maintains a building or structure primarily used in the operation of a business other than the sale or exchange of motor vehicles. As a sideline, the applicant desires to engage in the business of selling motor vehicles. The building or structure used primarily for some other business, other than the selling or exchanging of motor vehicles, does not qualify as a bona fide established place of business for the selling of motor vehicles unless an area is clearly designated and segregated and records are separately maintained for the purpose of selling, bartering, trading, servicing, or exchanging of motor vehicles or trailers;

(B) The business location must be open regular business hours during which the public and the department are able to contact the licensee. Regular business hours for purposes of this rule shall be a minimum of twenty (20) hours per week, at least four (4) of the six (6) days of Monday through Saturday each week. Only hours falling between 6 a.m. and 10 p.m. will be considered by the department

in the twenty (20) hour minimum. The business hours shall be posted at the business location. The business location must contain a working telephone (other than a mobile or cellular phone) in the licensee’s name with an advertised public number that must be maintained during the entire period of licensure;

(C) If a licensee is also licensed as an auction, the auction records must be kept separately from the dealer records;

(D) The business location of licensees must also contain an area or lot which shall not be a public street upon which multiple vehicles may be displayed.

1. The display area or lot must be of sufficient size to physically accommodate vehicles of the type which the licensee is licensed to sell.

2. The display area or lot must be used exclusively for display by the licensee and must be situated to prevent confusion or uncertainty concerning its relationship to the licensee.

3. The display area or lot must provide unencumbered visibility from the nearest public street of the vehicles being sold by the licensee.

4. Auctions that are also licensed as dealers must maintain a display area or lot separate from the dealership lot for auction vehicles.

5. A licensee in more than one (1) class of business may use the same building and display area for all classes so long as each use is separately and clearly marked. Records must be maintained separately and separate signs, as specified in subsection (1)(E), must be displayed;

(E) Licensees must display an exterior sign that shall be of a permanent nature, erected on the exterior of the structure or on the display area, constructed or painted and maintained to withstand reasonable weather conditions and the sign must be readable.

1. A temporary sign may suffice during the period of time required to obtain a permanent sign provided the order for construction, purchase, or painting has in fact been placed. A copy of the sign order must be submitted with the application along with a picture of the temporary sign.

(2) The bona fide established place of business of a licensee must be maintained for the entire licensure period. If the bona fide established place of business is not maintained, the licensee must notify the department within ten (10) days and surrender at that time the licensee’s temporary permits, license, and license plates/certificates of number.

(A) If the licensee intends to relocate prior to the expiration of the license, the depart-

ment must be informed of such intent at the time the license is surrendered. If the business is then certified at a new location within the same licensure year, the department will return the temporary permits, license plates/certificates of number and issue a new license reflecting the new location for no additional fee. The department or its representative reserves the right to determine the existence of a bona fide established place of business at any time.

(3) A licensee who changes its business location during the licensure year must notify the department of that change prior to operating at the new site. The following must be submitted to the department:

(A) A new application certified by authorized law enforcement. “Change of Address” must be indicated at the top of the application.

1. If the business changes locations ninety (90) days or less before the expiration of the current license, a renewal application reflecting the new address should be filed instead of a change of address.

2. If the location change is not effective immediately upon filing the renewal application, a letter indicating the effective date of the address change must accompany the renewal application; and

(B) A photograph of the business location that meets the specifications required of new applicants.

(4) If a licensee changes the business name during the licensure year, the licensee must notify the department of the name change prior to operating under the new name. The following must be submitted to the department:

(A) A new application properly completed that indicates “Name Change Only” at the top of the application. The application is not required to be certified by authorized law enforcement;

(B) A photograph of the business location that meets the specifications required of new applicants and that clearly shows the business sign displaying the new business name; and

(C) A corporate surety bond, bond rider, or revision to the irrevocable letter of credit that reflects the licensee’s new business name, if applicable.

(5) Each business location where a licensee auctions, manufactures, sells, or displays motor vehicles, trailers, boats, or powersports must be licensed separately with the department and pay a separate licensure fee.

(6) A licensee may store cars at a storage lot location other than at the licensed business location, provided the department is notified of the storage location and no sales activity occurs on the storage lot.

12 CSR 10-26.020 License Requirements for Auctions, Dealers and Manufacturers

PURPOSE: The department must determine whether applicants who apply for a license as a boat dealer, boat manufacturer, trailer dealer, trailer manufacturer, motor vehicle dealer, motor vehicle manufacturer, public motor vehicle auction, or wholesale motor vehicle auction pursuant to sections 301.550 to 301.562, RSMo, have met the requirements outlined in the law. This rule clarifies these requirements.

(1) A separate license is required for each of the following categories of licenses:

- (A) Motor vehicle dealers;
- (B) Boat dealers; however, a motor vehicle or trailer dealer may purchase and sell up to five (5) vessels during each licensure period without licensing as a boat dealer;
- (C) Wholesale motor vehicle dealers;
- (D) Trailer dealers;
- (E) Motor vehicle, trailer, and boat manufacturers;
- (F) Wholesale motor vehicle auctions; and
- (G) Public motor vehicle auctions.

(2) An applicant must complete in full the designated application for a license.

(A) If the applicant is a partnership or corporation and is doing business under another name (d/b/a), the applicant must list its partnership or corporate name and its d/b/a name. For example, John Smith Brothers Incorporated d/b/a Smith Brother's Used Cars. If the applicant is an individual, the business name must also be listed on the application.

(B) The business location name and address must be recorded on the application. A post office box number is not acceptable as a business location address.

(C) A separate "Mail to" address may only be listed on the application if the local postal authorities confirm, in a letter signed by an authorized representative of the post office, that it cannot or will not deliver mail to the business address due to security reasons such as theft or vandalism. The lack of a proper mail receptacle is not justification for the use of a "Mail to" address.

(D) Applicants obtaining a manufacturer's license must submit a letter that lists the makes of all motor vehicles/trailers/boats they will manufacture. If licensing as a "final stage" manufacturer/converter, the makes of all vehicle bodies, i.e., dump, hoist, coach, etc., they will manufacture and a brief description of the business must accompany the application.

(E) Each applicant, officer or owner for a license must list on the application his or her driver's license number, birthdate, home address, and/or Social Security number.

(F) The application must be certified by an authorized law enforcement agency/officer unless exempted by law. Applicants who are licensed within two (2) months of the license expiration period shall not be required to have his or her renewal application certified by a law enforcement agency/officer provided the renewal is filed before the present license expires.

(3) The corporate surety bond or an irrevocable letter of credit required in section 301.560.1, RSMo, shall be filed with the application and shall be maintained for the entire licensure period. The bond or letter of credit must either be irrevocable for the entire licensure period or by its terms require that the bonding company or entity issuing the bond or letter of credit to notify the department at least thirty (30) days prior to the cancellation or revocation date.

(4) The photograph of the bona fide established place of business may be either a black and white or color photograph. If more than one (1) photograph is necessary to show the building, lot and sign, a statement, signed by the applicant, must accompany the photograph explaining that all photographs were taken at the same address.

(A) A temporary sign may be used (as set forth in 12 CSR 10-26.010). If this is the case, a copy of the sign order and a picture of the temporary sign must be submitted with the application.

(5) For purposes of the franchise agreement requirement in section 301.559, RSMo, a letter of appointment or similar document signed by an authorized representative of the

manufacturer will satisfy this requirement. The document must include the name and address of the franchise, the effective date of the franchise agreement, the expiration date of the franchise agreement, if applicable, and the make(s) of vehicle(s) the franchisee is authorized to sell. The letter must provide for notification to the department at least thirty (30) days prior to cancellation of the franchise. A manufacturer's letter of intent shall not suffice as proof of franchise.

(6) A new applicant must complete and submit the appropriate form(s) requesting a criminal record check directly to the Missouri State Highway Patrol's General Headquarters along with the appropriate fee. The patrol shall provide the director with the results of the applicant's criminal record check to assist the director in determining the applicant's qualifications as provided in sections 301.559 and 301.562, RSMo.

(7) If any of the owners, partners, or principal officers (if a corporation) are residents of a state other than Missouri or another country, they must obtain a current criminal record check from their state highway patrol or corresponding law enforcement agency and submit that record check with new and renewal applications.

(8) The applicant must submit appropriate fees as prescribed in 12 CSR 10-26.040.

For licensure less than one (1) year, the department will prorate the six (6) sales requirement provided in section 301.550, RSMo, by requiring one (1) sale for each full two (2)-month period licensed.

12 CSR 10-26.090 Regulation of Off-Premises Shows and Tent Sales

PURPOSE: This rule specifies the requirements a motor vehicle dealer must meet in order to participate in a show or sale conducted away from their bona fide established place of business as provided in section 301.566, RSMo.

(1) For purposes of this rule, dealers shall be divided into classes, as provided in section 301.550.3, RSMo, as follows:

(A) Classic motor vehicle dealer—A dealer of motor vehicles at least five (5) years of age that were produced in limited numbers or otherwise have special value unrelated to basic transportation, excluding recreational motor vehicles, historic motor vehicles, motorcycles, motortricycles and all terrain vehicles;

(B) Franchised new motor vehicle dealer—A dealer of new motor vehicles, excluding recreational motor vehicles, motorcycles, motortricycles and all terrain vehicles, and of used motor vehicles for sale. The term “franchised new motor vehicle dealer” is not synonymous with the term “new motor vehicle franchise dealer” as defined in section 301.550.1, RSMo. It is a narrower term that excludes dealers of recreational motor vehicles, motorcycles, motortricycles and all terrain vehicles;

(C) Historic motor vehicle dealer—A dealer of motor vehicles that are at least twenty-five (25) years old, excluding recreational motor vehicles, classic motor vehicles, motorcycles and motortricycles;

(D) Powersport dealer—A dealer who sells, either pursuant to a franchise agreement or otherwise, primarily motor vehicles including but not limited to motorcycles, all-terrain vehicles and personal watercraft as those terms are defined in Chapters 301 and 306, RSMo;

(E) Recreational motor vehicle dealer—A dealer of new or used motor vehicles designed, constructed or substantially modified for use as temporary housing quarters,

including sleeping and eating facilities which are either permanently attached to the motor vehicle or attached to a unit which is securely attached to the motor vehicle;

(F) Used motor vehicle dealer—A dealer of used motor vehicles, provided that the majority of units sold are not motorcycles, motortricycles, personal watercraft or recreational motor vehicles. The term “used motor vehicle dealer” as used in section 301.550.3, RSMo is not synonymous with the term as used in section 301.550.1, RSMo. As used in this rule, the term is a narrower term that excludes dealers of historic motor vehicles, classic motor vehicles and wholesale motor vehicles; and

(G) Wholesale motor vehicle dealer—A dealer of motor vehicles only to new motor vehicle franchised dealers or other used motor vehicle dealers or via auctions limited to other dealers of any class.

(2) For the purpose of determining pursuant to section 301.566.1, RSMo, whether a majority of the motor vehicle dealers within a class of dealers in a city or town participate or are invited and have the opportunity to participate in an off-premises show or sale, any dealers whose official mailing address is in the city or town shall be included.

(3) If motor vehicle dealers from more than one city or town are to participate in the same off-premises show or sale, a majority of the dealers in each such city or town must participate or be invited and have the opportunity to participate.

(4) Show, as used in section 301.566, RSMo, shall be deemed to include the stationary display of all or any part of a motor vehicle dealer's inventory at any location other than the dealer's usual, bona fide established place of business, regardless of whether sales agents or other dealership employees or owners are present to promote the sale of or to sell the displayed vehicle(s) or to otherwise transact business concerning the dealership, except:

(A) Promotions or contests, conducted by a person or business who is not a licensed motor vehicle dealer, which involve the stationary display of a dealer's motor vehicle as a means of attracting attention to and participation in the promoter's event, service or product. The dealer providing the motor vehicle must remove all items identifying the dealership from the motor vehicle prior to its display, with the exception of such information as may be required by federal or state law to be displayed on the vehicle. The promoter, not the dealer, may identify the dealer only by means of a notation on its promotional

material stating “vehicle provided courtesy of (name of dealer)” or similar language;

(B) The display of motor vehicles at meetings of organizations which are open only to members of the organization and not to the general public;

(C) The display of motor vehicles at the Missouri State Fair; and

(D) Parades in which one (1) or more local dealerships provide motor vehicles from their inventory to be driven as part of the parade.

(5) Trailers and vessels, including personal watercraft, are excluded from the provisions of this rule.

12 CSR 10-26.180 Temporary Permits Sold by a Registered Missouri Motor Vehicle Dealer

PURPOSE: This rule clarifies the sale by registered Missouri motor vehicle dealers of temporary permits to operate motor vehicles and trailers on the streets and highways of Missouri.

(1) A registered dealer may provide no more than one (1) temporary permit per motor vehicle or trailer sold by his/her dealership. The temporary permits shall be effective for the number of days provided by law and shall be nonrenewable. No dealer shall sell a permit for use on any motor vehicle or trailer other than a motor vehicle or trailer sold by

the dealer or his/her authorized employees at the dealer's own certified place of business except that a franchised motor vehicle dealer may issue a temporary permit for use on a motor vehicle the dealer delivers to a purchaser pursuant to a courtesy delivery arrangement made with another franchised dealer or manufacturer.

(2) The sale of all temporary permits, except those permits issued pursuant to a courtesy delivery arrangement, shall be recorded in the appropriate space on the dealer's monthly sales report by notation of the true, accurate and complete permit number next to the corresponding motor vehicle or trailer sale listed.

(3) A registered dealer may charge no more than the fee prescribed by law for each temporary permit as specified in section 301.140.4, RSMo.

(4) Upon each sale of a temporary permit, each dealer shall fully complete all information on the temporary permit in accordance with Department of Revenue instructions and complete all appropriate records of issuance found within the booklet of permits. If the permit is issued pursuant to a courtesy delivery arrangement, the dealer issuing the permit must record the words courtesy delivery on the corresponding permit and on the permit record within the permit booklet. The information listed shall be true, accurate and complete. Temporary permits that are spoiled shall be marked void and kept as a part of the dealership's records. The records shall be maintained in booklet form for a period of at least three (3) years for inspection by law enforcement or Department of Revenue officials.

(5) The Department of Revenue shall use reasonable diligence to ascertain whether the number of temporary permits requested by any dealer is reasonably proportionate to the number of motor vehicle and trailer sales previously reported by the dealer on his/her monthly sales reports. In cases of discrepancy, the department may reduce the number of temporary permits provided to a dealer or refuse a request for temporary permits based upon its findings.

(6) No temporary permit shall be issued for use on a motor vehicle unless there is a valid certificate of inspection and approval for the particular motor vehicle in accordance with section 307.380, RSMo. Dealers shall enter the true, accurate and complete motor vehicle inspection certificate number on the temporary permit record. No temporary permit

shall be issued when the ownership document is a salvage certificate of title.

(7) Upon a finding that a dealer has failed to comply with any of the provisions of this rule, the department may reduce the number of temporary permits issued to a dealer or refuse a dealer's request for temporary permits.

(B) If any monthly sales report required to be filed on or before a prescribed date is delivered after that date by United States mail, postage prepaid and addressed to the Department of Revenue, the date of the United States postmark stamped on the envelope shall be deemed to be the date of filing. Official United States postmarks will suffice as proof of mailing. Reports may also be submitted by certified mail, registered mail or

the dealer may obtain a validated certificate of mailing or receipt from the United States Post Office to establish date of mailing.

(2) If no sales occur in any given month, a report must be submitted for that month indicating no sales.

(3) No motor vehicle or boat dealer, agent or representative shall willfully or knowingly make a false statement in any monthly sales report required by section 301.280, RSMo and this rule; nor shall the agent or representative omit any information requested or fail to report any sale made by the dealership.

(4) Every motor vehicle and boat dealer shall retain copies of the sales reports submitted to the Department of Revenue as part of the records to be maintained at the dealership location as provided in section 301.560.1, RSMo and shall hold them available for inspection by appropriate law enforcement officials, and officials of the Department of Revenue.
