The Missouri Lottery Commission has approved guidelines for issuing special licenses to sell Lottery tickets at special events. The rule allows non-profit entities, such as charitable, fraternal, political, civic or labor organizations, to sell Lottery tickets at special events, such as fairs or bazaars, with the support of a licensed Missouri Lottery retailer.

To get a Special Events License, the organization should first find a licensed Missouri Lottery retailer to sponsor the special event. The sponsoring retailer and the non-profit organization must then negotiate an agreement for the special event ticket sales which must outline the manner in which the organization will pay the retailer for the tickets, the division of the commissions, the payment of the prizes during the event and the persons who will be responsible for selling the tickets during the event. The sponsoring retailer is responsible for the payment of the tickets to the Lottery, the distribution of the tickets to the event and the redemption of prizes.

The attached application must be completed by the sponsoring retailer and the non-profit organization. Attach a copy of the agreement between the sponsoring retailer and the non-profit organization and a list of the members of the organization who will be involved in the sale or management of the Lottery tickets to the application. The list must provide the full names, resident addresses, dates of birth and social security numbers of the individuals. Mail the application, agreement and list to the Missouri Lottery, Retail Licensing Section, P. O. Box 1603, Jefferson City, Missouri 65102, for processing. There is no fee to either the non-profit organization or the licensed Lottery retailer for this opportunity.

After the application has been approved, a Special Events License will be issued and delivered to the sponsoring retailer by a Lottery Sales Representative. The Special Events License must be posted at the event during the hours tickets will be sold. Lottery tickets must be sold only from the booth described in the application for the Special Events License.

Please allow 3 weeks for processing. If you would like more information on obtaining a Special Events License, contact the Retail Licensing Section at (314) 751-4050.
