PURPOSE: This rule establishes the 457 Plan authorized by section 50.1300, RSMo, and describes its intent.

(1) In accordance with the authority granted to the County Employees' Retirement Board by section 50.1300, RSMo, the Board hereby adopts the County Employees' Deferred Compensation Plan (the "Plan"). The Plan shall be maintained for the exclusive benefit of covered employees and is intended to comply with the eligible deferred compensation plan requirements under section 457 of the *Internal Revenue Code* of 1986, as amended, and regulations thereunder, and other applicable law. 16 CSR 50-20.030 Participation in the Plan

PURPOSE: This rule provides the 457 Plan's eligibility requirements and the rules governing deferral elections to the 457 Plan.

(1) Eligibility. Effective January 1, 2000, each Employee who is employed by an Employer and is a member of the pension fund described in 50.100-50.1200, RSMo may become a Participant in this Plan. Participation shall commence when enrollment becomes effective pursuant to section (2).

(2) Enrollment. Employees may enroll in the Plan by completing a Deferral Agreement and submitting it to their Employer. The Employer shall be responsible for submitting the Deferral Agreement to the Board (or its designee) and ensuring that contributions are forwarded to the Trustee selected by the Board. Enrollment shall be effective on or after the first day of the month following the date the Deferral Agreement is properly completed by the Employee and received by the Employer.

(3) Modifications to Amount Deferred. A Participant may change Deferrals with respect to Compensation not yet earned by submitting a new properly executed Deferral Agreement to his or her Employer. The change shall take effect as soon as administratively practicable but not earlier than the first day of the pay period beginning in the calendar year quarter following receipt of the properly completed Deferral Agreement by the Employer.

(4) Revocation of Deferral. Any Participant may revoke his or her election to have Compensation deferred by notifying the Employer in writing. This revocation shall take effect as soon as administratively practicable, but no earlier than the first pay period following receipt of written notice of such revocation by the Employer. A Participant who revoked his or her Deferral may not enter into a new Deferral Agreement that is effective prior to the first day of the calendar year quarter following the revocation. Deferrals shall be revoked automatically for any month in which there are insufficient monies to make the

entire Deferral agreed upon, and automatically reinstated in the next pay period that Compensation is sufficient to make the agreed upon Deferral.

(5) Transmittal of Contributions. Notwithstanding any contrary provision of the Plan, in accordance with section 457(g) of the Code, all Deferrals, all property and rights purchased with such Deferrals, and all income attributable to such amounts, property or rights shall be held in trust for the exclusive benefit of Participants and Beneficiaries under the Plan. All amounts of compensation deferred under the Plan shall be transferred to the Trust Fund within a period that is not longer than is reasonable for the proper administration of the Accounts of Participants.

(6) Acceptance of Transfers. A Participant who participated in any eligible deferred compensation plan described in section 457(b) of the Code may transfer his or her account in such a plan or, effective January 1, 2002, an eligible rollover distribution described in section 457(e)(16) of the Code to his or her Account in this Plan.

(7) Minimum Deferral. The minimum deferral permitted under the Plan shall be \$10 per month.

AUTHORITY: section 50.1300, RSMo 2000. Original rule filed May 9, 2000, effective Jan. 30, 2001. Amended: Filed April 25, 2002, effective Nov. 30, 2002.*

16 CSR 50-20.050 Limitations on Deferral

PURPOSE: This rule describes the limitations on deferral elections to the 457 Plan imposed by the Internal Revenue Code.

(1) General Limitation. The maximum Deferral amount for any Participant in any taxable year beginning after December 31, 2001 shall not exceed the lesser of—

(A) Eleven thousand dollars (\$11,000) (as adjusted for taxable years beginning before January 1, 2007 in accordance with section 457(e)(15)(A) of the Code, and for taxable years beginning after December 31, 2006 to reflect increases in the cost of living in accordance with sections 457(e)(15)(B) and 415(d) of the Code); or

(B) One hundred percent (100%) of the Participant's Compensation for the taxable year.

(2) Catch-Up Contributions. All Participants who are eligible to make Deferrals under this Plan for a Plan Year and have attained age fifty (50) before the close of the Plan Year shall be eligible to make catch-up contributions in accordance with, and subject to the limitations of, section 414(v) of the Code for Plan Years beginning after December 31, 2001. Such contributions shall not be taken into account for purposes of subsection (1)(A) or section (3).

(3) Coordination with Other Plans. If a Participant participates in more than one Code section 457 Plan, the maximum deferral under all such plans shall not exceed the amounts described in 16 CSR 50-20.050(1) and (2) above. If a Participant participates in a Plan described in sections 401(k), 403(b), 408(k), 408(p) or 501(c)(18) of the Code, amounts deferred by the Participant to such plan or plans and excluded from his or her gross income in any taxable year under such plan(s) shall reduce the general limitation amount.

(4) The provisions of this rule 16 CSR 50-20.050 shall be administered in accordance with the Uniformed Services Employment and Reemployment Rights Act of 1994.

AUTHORITY: section 50.1300, RSMo 2000. Original rule filed May 9, 2000, effective Jan. 30, 2001. Amended: Filed April 25, 2002, effective Nov. 30, 2002.*

16 CSR 50-20.060 Accounts of Participants

PURPOSE: This rule describes the accounting for a Participant's interest in the 457 Plan, and the investment of a Participant's Account.

(1) Accounts. The Board shall establish and maintain Accounts on behalf of each Participant. Such Participant Accounts shall be valued at fair market value as of each business day. Each Participant's Account balance shall reflect his or her aggregate Deferral Amounts, Transfer Amounts and any earnings (or losses) attributable to such amounts, and shall be reduced by administrative, investment, and other fees and expenses attributable to his or her Account that are necessary for the administration of the Participant's Account.

(2) Investments. A Participant may request that his or her Account (and his or her Deferrals) be allocated among the Investment

Options made available by the Board. The initial allocation request shall be made at the time of enrollment. Once made, an investment allocation request shall remain in effect until changed by the Participant. A Participant may change his or her investment allocation by submitting a request to the Board (or its designee) in such form as may be permitted by the Board (or its designee). Such changes shall become effective as soon as administratively feasible after the Board (or its designee) receives such request. If the Participant fails to make an investment allocation request at the time of his or her enrollment, the Participant's Account shall be invested in default Investment Options selected by the Board, until such time as the Participant submits an investment allocation request.

16 CSR 50-20.070 Distribution of Accounts

PURPOSE: This rule describes the timing and form of benefit payments from the 457 Plan.

(1) Eligibility for Payment. Distribution to a Participant of his or her Account shall be made no earlier than—

(A) Separation from Service;

(B) The calendar year in which the Participant attains age 70 1/2;

(C) The date the Board approves a distribution to the Participant on account of an Unforeseeable Emergency; or

(D) The date the Participant requests a voluntary in-service *de minimis* distribution from the Plan.

(2) Distribution Due to Unforeseeable Emergency. A Participant may request a distribution due to Unforeseeable Emergency by submitting a request to the Board (or its designee). The Board (or its designee) shall have the authority to require such evidence as it deems necessary to determine whether a distribution is warranted. If an application for a hardship distribution due to an Unforeseeable Emergency is approved, the distribution is limited to an amount sufficient to meet the Unforeseeable Emergency. The allowed distribution shall be paid in a single sum to the Participant as soon as possible after approval of such distribution.

(3) Voluntary In-Service *De Minimis* Distribution. A Participant who is an active

Employee shall receive a distribution of his or her Account if the following requirements are met:

(A) The Participant's Account balance does not exceed \$5,000 (or the dollar limit under section 411(a)(11) of the Code, if greater);

(B) The Participant has not previously received an in-service distribution of his or her Account balance;

(C) The Participant has not made Deferrals during the two-year period ending on the date of the in-service distribution; and

(D) The Participant elects to receive the distribution.

(4) Commencement of Distributions.

(A) General Rule. Distribution of a Participant's Account under the Plan shall be made in the form elected by the Participant, commencing as soon as administratively feasible after the calendar year quarter in which the Participant's Separation from Service occurs, unless the Participant elects to defer this payment. A Participant may elect that the distribution of benefits be made at any time following his or her Separation from Service as long as distributions commence no later than sixty (60) days following the close of the calendar year in which the Participant attains age seventy and a half (70 1/2), or retires, if later.

(B) Notwithstanding subsection (4)(A), if the value of a Participant's Account is five thousand dollars (\$5,000) or less, then his or her benefit under the Plan shall be distributed to him or her in a single sum as soon as administratively feasible following his or her Separation from Service.

(C) Employees who terminate employment and then resume employment with an Employer within thirty (30) days will not forfeit their prior service and will not be required to receive a refund of their payroll contributions.

(5) Payment Options. A Participant's or Beneficiary's election of a payment option must be made at least thirty (30) days prior to the date that the payment of benefits is to commence. If a timely election of a payment option is not made, benefits shall be paid in a single lump sum. Once payments have commenced, the form of payment option may not be changed.

(6) Subject to applicable law and the other provisions of this Plan, distributions may be made in accordance with one of the following payment options:

(A) A single lump-sum payment;

(B) Installment payments for a period of years (payable on a monthly, quarterly, semi-annual, or annual basis) which extends no longer than the life expectancy of the Participant;

(C) Partial lump-sum payment of a designated amount, with the balance payable in installment payments for a period of years, as described in subsection (6)(B), as long as such installment payments begin prior to the end of the calendar year following the year the partial lump-sum payment was made; and

(D) Annuity payments (payable on a monthly, quarterly, or annual basis) for the lifetime of the Participant or for the lifetimes of the Participant and Beneficiary if permitted under sections 401(a)(9) or 457(d) of the Code. If the Participant fails to make a timely election of one of the payment options described above, payment shall be made in a single sum.

(7) Direct Rollover Option.

(A) After December 31, 2001, a distributee may elect to have an eligible rollover distribution paid directly to a single eligible retirement plan specified by the distributee. However, this election may not be made if the total eligible rollover distributions paid to the distributee from the Plan will be less than two hundred dollars (\$200).

(B) A distributee may elect to divide an eligible rollover distribution so that part is paid directly to an eligible retirement plan and part is paid to the distributee. However, the part paid directly to the eligible retirement plan must total at least five hundred dollars (\$500).

(C) A distributee may elect a direct rollover after having received a written notice which complies with the rules of Code section 402(f). In general, payment to a distributee shall not begin until thirty (30) days after the section 402(f) notice is given. However, payment may be made sooner if the notice clearly informs the distributee of the right to a period of at least thirty (30) days to consider the decision of whether or not to make a direct rollover, and the distributee, after receiving the notice, makes an affirmative election to receive an immediate distribution. A distributee who fails to make an election in the thirty (30)-day period shall receive the eligible rollover distribution immediately after the thirty (30)-day period expires.

(D) For purposes of this section (7), the following terms have the meanings set forth below:

1. An "eligible rollover distribution" is any distribution or withdrawal payable under the terms of this Plan to a Participant, which

is described in Code section 402(c)(4). In general, this term includes any single-sum distribution, and any distribution which is one in a series of substantially equal periodic payments made over a period of less than ten (10) years, and is less than the distributee's life expectancy. However, an eligible rollover distribution does not include the portion of any distribution which constitutes a minimum required distribution under Code section 401(a)(9) or any distribution due to unforeseeable emergency. Such term also does not include a distribution to the Participant's Beneficiary, unless the Beneficiary is the Participant's spouse;

2. "Eligible retirement plan" means—

- A. An individual retirement account described in Code section 408(a);
- B. An individual retirement annuity described in Code section 408(b);
- C. An annuity plan described in Code section 403(a);
- D. A retirement plan qualified under Code section 401(a), but only if the terms of the plan permit the acceptance of rollover distributions;
- E. An annuity contract described in Code section 403(b); and

F. An eligible deferred compensation plan under Code section 457(b) which is maintained by a state, a political subdivision of a state or any agency or instrumentality of a state or political subdivision of a state; and

3. "Distributee" means a Participant or the spouse of a deceased Participant.

(8) This Plan also shall accept the transfer of amounts previously deferred by a Participant under another eligible deferred compensation plan described in section 457 of the Code or, effective January 1, 2002, an eligible rollover distribution described in section 457(e)(16) of the Code.

(9) All distributions under this rule 16 CSR 50-20.070 shall be made in accordance with the requirements of Code sections 457(d)(2) and 401(a)(9).

(10) Lost Participants. Notwithstanding any other provision of the Plan, if it is not possible to make payment because the Board cannot locate the Participant after making reasonable efforts to so do, a retroactive payment may be made as soon as administratively feasible after the date on which the Participant is located.

(A) If the Board is unable to locate any person entitled to receive distribution from an Account hereunder, such Account shall be forfeited and used to reduce Plan expenses on the date two years after the date the Board

sends by certified mail a notice concerning the benefits to such person at his or her last known address (or determines that there is no last known address).

(B) If an Account is forfeited under this Section and a person otherwise entitled to the Account subsequently files a claim with the Board during any Plan Year, before any allocations for such Plan Year are made, the Account will be restored to the amount which was forfeited without regard to any earnings or losses that would have been allocated. Such restoration shall first be taken out of forfeitures which have not been allocated and if such forfeitures are insufficient to restore such person's account balance, restoration shall be made by an Employer contribution to the Plan.

AUTHORITY: section 50.1300, RSMo 2000. Original rule filed May 9, 2000, effective Jan. 30, 2001. Amended: Filed April 25, 2002, effective Nov. 30, 2002.*

16 CSR 50-20.080 Death Benefits

PURPOSE: This rule describes the benefits available to a Participant's Beneficiary upon his or her death and the procedure for designating a Beneficiary.

(1) Death Benefit. As soon as administratively feasible following the close of the calendar year quarter in which the death of a Participant occurs, the Participant's Beneficiary shall receive a single-sum distribution of the Participant's entire Account balance.

(2) Beneficiary Designation. A Participant shall have the right to designate a Beneficiary, and amend or revoke such designation at any time, in writing. Such designation, amendment or revocation shall be effective upon receipt by the Board.

(3) Failure to Designate a Beneficiary. If no designated Beneficiary survives the Participant, or no Beneficiary has been designated by the Participant, and benefits are payable following the Participant's death, the Board shall direct that payment of benefits be made to the person or persons in the first of the following classes of successive preference Beneficiaries:

- (A) The spouse of the Participant; and
- (B) The Participant's estate.

(4) All death benefits paid in accordance with this rule 16 CSR 50-20.080 shall be made in

accordance with the requirements of Code sections 457(d)(2) and 401(a)(9).

(5) Direct Rollover. If the Participant's Beneficiary is his or her spouse, the direct rollover provisions shall apply to a distribution in accordance with this rule.

AUTHORITY: section 50.1300, RSMo 2000. Original rule filed May 9, 2000, effective Jan. 30, 2001. Amended: Filed April 25, 2002, effective Nov. 30, 2002.*

16 CSR 50-20.090 Plan Administration

PURPOSE: The purpose of this rule is to outline the administrative procedures and responsibilities for the 457 Plan.

(1) Plan Administration. The management of the Plan shall be vested in the Board according to the provisions in sections 50.1000 to 50.1260, RSMo, as such Board is established in section 50.1030, RSMo. Any action taken on any matter within the discretion of the Board shall be final, conclusive, and binding on all parties. In order to discharge its duties hereunder, the Board shall have the power and authority to adopt, interpret, alter, amend or revoke rules and regulations necessary to administer the Plan, to delegate ministerial duties and to employ such outside professionals as may be required for prudent administration of the Plan. The Board shall also have authority to enter into agreements as may be necessary to implement this Plan. Any individual member of the Board who is otherwise eligible may participate in the Plan but shall not be entitled to make decisions solely with respect to his or her own participation and benefits under the Plan.

(2) Amendment of Plan. The Board shall have the right to amend the Plan, at any time and from time to time, in whole or in part.

(3) To implement the Plan, the Board shall enter into a Trust Agreement, so that Plan funds shall be segregated from an Employer's own assets and held in trust by the Trustee for the exclusive benefit of Participants and their Beneficiaries. Any or all benefits that may accrue to any Participant or Beneficiary under this Plan shall be subject to the terms and conditions of said Trust Agreement. Except as provided in section (4), it shall be impossible under any circumstances at any time for any part of the corpus or income of the Trust Fund to be used for, or diverted to

purposes other than the exclusive benefit of Participants and their Beneficiaries.

(4) Plan Expenses. All expenses of Plan administration, including (by way of illustration and not limitation) those incurred by the Board and the fees of the Trustee shall be paid from the Trust Fund.

16 CSR 50-20.100 Merger of Prior Plan

PURPOSE: The rule describes how a county's prior 457 Plan may be merged into this 457 Plan.

If an Employer has sponsored any other plan described under section 457(b) of the Code, the Employer may elect to consolidate such Prior Plan with this Plan, with the consent of the Board. In this event, the account of each of the Employer's Employees in the Prior Plan shall be transferred to the Trust Fund and made a part of each Employee's Account in the Plan. An Employer is not required to consolidate a Prior Plan with this Plan.

16 CSR 50-20.110 Miscellaneous 457 Plan Rules

PURPOSE: The purpose of this rule is to set forth miscellaneous provisions relating to the 457 Plan.

(1) Limitation of Rights: Employment Relationship. Neither the establishment of this Plan nor any modification thereof, nor the creation of any fund or account, nor the payment of any benefits, shall be construed as giving a Participant or any other person any legal or equitable right against an Employer except as provided in the Plan. In no event shall the terms of employment of any Employee be modified or in any way be affected by the Plan.

(2) Benefits under this Plan may not be assigned, sold, transferred, or encumbered, and any attempt to do so shall be void. A Participant's or Beneficiary's Account shall not

be subject to debts or liabilities of any kind and shall not be subject to attachment, garnishment or other legal process.

(3) Representations. The Board does not represent or guarantee that any particular federal or state income, payroll, personal property or other tax consequence will result from participation in this Plan. A Participant should consult with professional tax advisors to determine the tax consequences of his or her participation. Furthermore, the Board does not represent or guarantee successful investment of Deferrals and shall not be required to restore any loss which may result from such investment or lack of investment.

(5) The provisions of this Chapter 16 CSR 50-20 shall be construed in accordance with section 457 of the Code, all other applicable federal law, and, to the extent such other statutes do not apply, the laws of the State of Missouri.
