consecutive and/or concurrent periods of employment.

(1) For purposes of determining eligibility for and amounts of allowances applicable to consecutive periods of employment rendered as a police officer or firefighter and then as a general employee, or vice-versa, service credit in each department shall be considered separately. The final average salary (FAS) used for determining such allowances shall be the final average salary determined on the basis of total credited service.

(2) In those instances where a member has concurrent employment with more than one (1) participating political subdivision in one (1) or more calendar months, when the member submits an application for retirement, the member's final average salary will be calculated separately for each employer, based on either the highest consecutive thirty-six (36)- or sixty (60)-months of wages contained in the period of one hundred twenty (120) consecutive months of credited service with each employer immediately preceding the termination of his or her membership.

16 CSR 20-2.045 Application for Retirement

PURPOSE: This rule sets forth the factors that will determine the date a member's application for retirement will be considered to have been filed, for purposes of determining the retirement effective date.

(1) Any vested member who has attained the minimum retirement age, or, if an election has been made in accordance with section 70.646, RSMo 1994 to provide for alternate eligibility, have years of attained age and credited service in force which total eighty (80) or more, may file a written application for retirement with the system, including the date on which the member desires his/her retirement to be effective.

(2) For purposes of section 70.645, RSMo 1994, and this rule, the following factors

shall determine the date that an application for retirement shall be deemed to have been filed with Missouri Local Government Employees' Retirement System (LAGERS):

(A) If the application is mailed to LAGERS via the U.S. Postal Service, the postmark date, or postal meter date;

(B) If the application is sent to LAGERS via private/commercial delivery service, the date the application is shipped by the commercial delivery service;

16 CSR 20-2.050 Waiting Period for Contributions on New Employees

PURPOSE: The purpose of this rule is to clarify the procedures to follow in determining when contributions are to begin for new employees.

(1) If the date of employment of a new employee is any day other than the first calendar day of a month, the six (6)-month waiting period will begin with the first calendar day of the month following the month of employment.

(2) A member is allowed only one (1) six (6)-month waiting period while participating in the system.

(3) If a member was employed in a position requiring less than the number of hours adopted by his/her employer for participation, the date of employment for system pur-

poses would be the date of full-time employment.

16 CSR 20-2.055 Election of Optional Retirement Benefits

PURPOSE: This rule clarifies the circumstances under which failure to elect an optional retirement benefit will result in payment of a single lifetime benefit.

(1) Under section 70.660, RSMo 1994, after a member's application for retirement has been received by Missouri Local Government Employees' Retirement System (LAGERS), and prior to the effective date of retirement, but not thereafter, a member may elect one of several benefit options, which will provide for payment of an allowance to his/her designated beneficiary in the event of the member's death, thereby reducing the member's allowance for life.

(2) Election of a benefit option pursuant to the provisions of section 70.660, RSMo must be made in writing on a form provided to the member by LAGERS. To be effective, the completed election form must be returned to LAGERS no later than six (6) months from the date the election form is mailed to the member.

(3) If the member fails to make an optional benefit election and/or to return the completed election form to LAGERS within six (6) months from the date the election form is mailed to the member, his or her allowance for life shall be paid as a single lifetime benefit.

(4) For purposes of determining whether an optional benefit election has been made in a timely manner, the following factors shall be determinative:

(A) If the election form is returned to LAGERS via the postal service, the postmark date;

(B) If the election form is returned to LAGERS via private/commercial delivery service, the date the form is shipped by the private/commercial delivery service;

(C) If the election form is sent to LAGERS via facsimile transmission, the date and time the fax transmission is received by LAGERS; or

16 CSR 20-2.056 Lump-Sum Cash Payout of Retirement Allowance

PURPOSE: This rule establishes the circumstances under which a member or former member may receive a lump-sum cash payout in lieu of a monthly benefit, as provided for in section 70.660.1(4), RSMo 2000 regarding optional retirement elections.

(1) A member or former member who is entitled to a retirement allowance, as defined in section 70.655 or section 70.765, RSMo 2000, may, in accordance with section 70.660.1(4), elect to receive a lump-sum cash payout at retirement that is the actuarial equivalent of the retirement allowance otherwise payable, provided that the value of the reserve at the time of payment is less than ten thousand dollars (\$10,000).

(2) The election to receive a lump-sum cash payment must be made before the first payment of a retirement allowance becomes due and payable, but not thereafter.

(3) The reserve value of the lump-sum payout shall be calculated at the time of the member or former member's retirement.

(4) A member or former member electing to receive a lump-sum cash payout pursuant to the provisions of this rule shall do so by electing payment under Option "D" on the LRS-9, "Election of Allowance Option" form.

16 CSR 20-2.057 Qualified Government Excess Benefit Arrangement (QGEBA)

PURPOSE: This rule implements section 70.655, RSMo and section 415(m) of Title 26 of the United States Code and allows for the payment of benefits in excess of the limits

imposed by section 415 of Title 26 of the *United States Code* to which retirees and beneficiaries are otherwise entitled pursuant to Chapter 70, RSMo.

(1) Definitions.

(A) "Allowance" shall mean the total of a retiree's annuity and pension.

(B) "Annuity" shall mean a monthly amount derived from the accumulated contributions of a member and payable by the system throughout the life of one (1) or more persons or for a temporary period.

(C) "Pension" shall mean a monthly amount derived from contributions of an employer and payable by the system throughout the life of one (1) or more persons or for a temporary period.

(D) "Maximum benefit" shall mean the monthly allowance a retiree or beneficiary is entitled to receive from the retirement system, to the extent the pension component of such allowance does not exceed the annual benefit limit set forth in section 415 of Title 26 of the *United States Code*, as amended.

(E) "Retirement System" shall mean the Missouri Local Government Employees' Retirement System established pursuant to Chapter 70, RSMo.

(F) "Section 415(m) benefit plan participant" shall mean any retiree or beneficiary whose pension otherwise payable pursuant to Chapter 70, RSMo, would exceed the maximum benefit permitted under section 415 of Title 26 of the *United States Code*, as amended. Eligibility as a section 415(m) benefit plan participant shall be determined by the retirement system at the time of retirement and annually thereafter.

(G) "Section 415(m) benefit plan" shall mean the separate, unfunded qualified government excess benefit arrangement within the meaning of section 415(m) of Title 26 of the *United States Code*, as amended, and established pursuant to administrative rule, and that is separate from the retirement system.

(H) "Unrestricted benefit" shall mean the monthly pension a retiree or beneficiary would have been entitled to receive without giving effect to the limits imposed by section 415 of Title 26 of the *United States Code*.

(2) A section 415(m) benefit plan participant receiving an allowance from the retirement system pursuant to Chapter 70, RSMo, is entitled to a monthly benefit under the section 415(m) benefit plan in an amount equal to the section 415(m) benefit plan participant's unrestricted benefit less the maximum benefit. In no event shall a retiree or beneficiary receive a total monthly allowance from

the retirement system and the section 415(m) benefit plan in excess of the monthly allowance he or she would have been entitled to receive from the retirement system under Chapter 70, RSMo without giving effect to the limits imposed by section 415 of Title 26 of the *United States Code*.

(3) Any benefit to which a retiree or beneficiary is entitled pursuant to this rule shall be paid at the same time and in the same manner as the benefit would have been paid from the retirement system if the payment of the benefit from the retirement system had not been subject to the limits imposed by section 415 of Title 26 of the *United States Code*.

(4) Any other provision of law to the contrary notwithstanding, contributions may not be accumulated under the section 415(m) benefit plan to pay future monthly benefits to section 415(m) benefit plan participants. Instead, a portion of each payment of employer contributions made to the retirement system pursuant to the provisions of section 70.730, RSMo shall be paid to the section 415(m) benefit plan in an amount necessary to satisfy the retirement system's obligation to pay section 415(m) benefit plan participants the amount calculated pursuant to section (2), above, as those amounts become due and payable, as well as those amounts needed to pay reasonable expenses necessary to administer the section 415(m) benefit plan.

(5) The section 415(m) benefit plan is a separate component of the retirement system plan qualified pursuant to section 401(a) of Title 26 of the *United States Code* and is maintained solely for the purpose of funding and providing benefits to retirees and beneficiaries when the retirees' or beneficiaries' unrestricted benefits would otherwise exceed the limits imposed by section 415 of Title 26 of the *United States Code*.

(6) A member, retiree, or beneficiary of the retirement system may not directly or indirectly elect to defer payment of benefits or allowances payable pursuant to this rule.

(7) The section 415(m) benefit plan shall be administered in the same manner as the retirement system, pursuant to section 70.605, RSMo.

AUTHORITY: section 70.605.21, RSMo Supp. 2004. Original rule filed Nov. 17, 2004, effective May 30, 2005.*

**Original authority: 70.605, RSMo 1967, amended 1974, 1992, 2000, 2003.*

16 CSR 20-2.060 Correction of Errors

PURPOSE: The purpose of this rule is to make express the implied authority of the board of trustees to assure that payments in the correct amount are made to former members and their beneficiaries.

(1) Should any change in records or error result in any person receiving from the system more or less than s/he would have been entitled to receive had the records been correct or the error not been made, the executive secretary shall make corrections to the records and as far as is practicable shall adjust the amount of the benefit in such a manner that the correct amount of the benefit to which the person is entitled shall be paid.

(2) In the event that an error, oversight, or miscalculation of benefits results in an active or former member, retirant, or beneficiary being paid less than the amount which s/he was entitled to receive, the amount of retroactive benefits payable, if any, shall be calculated, and the system shall pay such amount in a lump-sum payment, in addition to adjusting the amount of the current benefit, as otherwise provided in this section.

(3) In the event that an error, oversight, or miscalculation of benefits results in an active or former member, retirant, or beneficiary being paid more than the amount which s/he was entitled to receive, the executive secretary shall notify the individual of the amount of the overpayment, which shall be recovered by the system in accordance with the following policy:

(A) If the active or former member, retirant, or beneficiary is receiving a monthly benefit or other type of recurring payment from the system, Missouri Local Government Employees' Retirement System (LAGERS) will recover the overpayment by reducing the amount of the monthly benefit or recurring payment in an amount equal to twenty-five percent (25%) of the monthly payment or recurring benefit until the full amount of the overpayment has been recovered. The active or former member, retirant, or beneficiary, at their discretion, may authorize LAGERS to reduce their monthly benefit or recurring payments by additional amounts until the full amount of the overpayment has been recovered.

(B) If the benefit reduction provided for in subsection (3)(A) of this rule will not result in a complete recovery of the overpayment within a period of five years from the date of the first reduction of the monthly benefit or recurring payment, LAGERS may further

reduce the monthly benefit or recurring payment, up to and including a complete suspension of the monthly benefit or recurring payment, in order to recoup the overpayment, provided that such further reduction may not result in a recovery of the overpayment in a period of less than five years from the date of the initial reduction.

(4) Any correction of errors to member records concerning, but not limited to, name, remuneration, contributions, marriage, dates of employment, termination or birth, Social Security number, tax status, address or service credit adjustments must be certified to the system in writing.
