(1) All public records of the Real Estate Appraisers Commission shall be open for inspection and copying by any member of the general public during normal business hours (8:00 a.m. to 5:00 p.m., Monday through Friday, except holidays) except for those records closed pursuant to section 610.021, RSMo. In the event that contact by the custodian with the Office of the Attorney General is not practicable or is impossible, the custodian may make a decision to deny access pending consultation with the attorney general's office and within three (3) days shall give this reason for delay to the person requesting the information. However, in those circumstances, the custodian shall consult with the

Office of the Attorney General concerning the decision within five (5) working days of the decision.

(B) Whenever a decision is made to deny access, the custodian will comply with the requirements in section 610.023, RSMo concerning informing the individual requesting access to the records of the grounds for denial of the request.

(C) Whenever the custodian denies access to the records and the person requesting access requests in writing that the request and denial be reviewed by the commission, the custodian shall supply to members of the commission copies of the written response where the denial was conveyed to the requesting individual. At the next meeting of the commission, the commission shall either affirm the decision of the custodian or reverse the decision of the custodian. In the event that the commission decides to reverse the decision of the custodian, the commission shall direct the custodian to so advise the person requesting access to the information and supply the access to the information during regular business hours.

(D) Whenever document access, which access may be granted or denied in the discretion of the commission, is requested and the custodian is not certain of the position of the commission regarding the request, the custodian shall inform the person requesting access that the request is denied pending review of the request by the commission at the next meeting.

(5) The custodian shall maintain a file in which is retained, for a period of at least two (2) years, copies of all written requests for access to records and responses to those requests.
