If the application for license is denied, the division shall give the applicant reasons in writing for the denial and provide information about how the applicant may appeal the decision.

(4) The division shall not issue a license to a new or temporary tattoo, body piercing and/or branding establishment or a new operator at an existing establishment without completing an inspection of the establishment to ensure that the establishment complies with the requirements set forth in these rules.

PURPOSE: This rule outlines the process for renewing a practitioner's license and/or an establishment license.

(1) All practitioner and establishment licenses shall be renewed biennially. All licenses shall be renewed in odd numbered years and shall expire on June 30 as defined in 4 CSR 231-2.010. (2) Failure to receive notice shall not relieve the licensee or the holder of an establishment license of the obligation to renew and pay the required fee prior to the expiration date.

(3) Each practitioner or holder of an establishment license shall provide the division with a completed and signed renewal form containing updated information since the preceding application/renewal period, as well as the required fee for renewal.

(4) Renewals shall be postmarked no later than the expiration date of the license.

(6) A practitioner or a holder of an establishment license who fails to renew said license by the expiration date shall reapply under the regulations in effect at the time of reapplication.
