SUMMARY: The section of *NIST Handbook 130* pertaining to examination procedure for price verifications was developed by National Conference on Weights and Measures (NCWM) in response to public concern about price accuracy in retail stores. The procedure applies to all retail stores, including food, hardware, general merchandise, drug, automotive supply, convenience, and club or other stores. It was adopted by the National Conference on Weights and Measures at the 80th annual meeting in 1995.

(1) The Division of Weights and Measures shall follow the examination procedure for price verification incorporated by reference in the section of *NIST Handbook 130*, 2002 edition, entitled "Examination Procedure for Price Verification."

(2) Should any portion of the examination procedure for price verification as defined in *NIST Handbook 130* be deemed unacceptable, rules will be promulgated within this chapter denoting and excepting those portions, and adopting alternative procedures as deemed necessary by the director of the Department of Agriculture.
