PUBLISHER’S NOTE: The publication of the full text of the material that the adopting agency has incorporated by reference in this rule would be unduly cumbersome or expensive. Therefore, the full text of that material will be made available to any interested person at both the Office of the Secretary of State and the office of the adopting agency, pursuant to section 536.031.4, RSMo. Such material will be provided at the cost established by state law.

SUMMARY: The sections of *NIST Handbook 130* pertaining to regulation of the method of sale of commodities are a result of the combined efforts of the National Conference on Weights and Measures, the National Institute

of Standards and Technology (NIST) and state divisions of weights and measures. The method of sale of commodities regulation prescribes approved method of sale of food and nonfood products, presentation of price, allowable differences, combination quantity declarations, machine vended commodities and railroad car tare weights.

(1) The rule for the division of Weights and Measures for method of sale of commodities shall incorporate by reference the section of the *NIST Handbook 130*, 1998 edition, entitled “Regulation for the Method of Sale of Commodities.”

(2) Should any portion of the regulation of method of sale of commodities as defined in *Handbook 130* be deemed unacceptable, rules will be promulgated within this chapter denoting and excepting those portions, and adopting alternative provisions as deemed necessary by the director of the Department of Agriculture.
