**4 CSR 205-3.030 Application for Limited Permit**

*PURPOSE: This rule outlines the procedure for application for a limited permit.*

(1) Application for an occupational therapist limited permit and/or occupational therapy assistant limited permit shall be submitted on the forms provided by the board and may be obtained by contacting the Missouri Board of Occupational Therapy.

(2) An application for an occupational therapist limited permit and/or occupational therapy assistant limited permit is not considered officially filed with the board until it has been determined by the board or division staff to be complete. Applications submitted on the forms provided by the board must be completed, signed, notarized and accompanied by the application fee.

(3) The applicant shall request and submit to the board written verification from his/her academic institution or the certifying entity of the applicant's completion of the requirements and eligibility to sit for the applicant's first available certification examination as determined by the certifying entity. The applicant is responsible for the payment of any fee required by the certifying entity for verification.

(4) The applicant shall request that each state, United States territory, province, or country regulatory entity in which a license, certificate, registration or permit is held or has ever been held submit verification of licensure, certification, registration or permit directly to the board. The verification shall include the license, registration, certification or permit issued; the number; status; issue and expiration dates; information regarding any disciplinary action; method of licensure, registration or certification; the name and title of person verifying information; the date; and the entity's seal.

(5) Applicants who are approved will receive one (1) limited permit. Duplicate limited permits may be provided upon payment of the appropriate fee.

(6) Prior to sitting for an examination for certification the limited permit holder shall request that the certifying entity or its designee send the results of the limited permit holder's examination to the board.

(7) The limited permit will be valid for eight (8) weeks from the date of the applicant's first available examination. If the limited

permit holder successfully completes the examination with a passing score, the limited permit will be extended for an additional sixty (60) days during which time the limited permit holder may apply for a license.

(8) Only those individuals who did not successfully complete their first available examination may renew their limited permit. The limited permit may be renewed only once using the form provided by the board. A renewed limited permit will be valid for eight (8) weeks from the date of the limited permit holder's second available examination. If the limited permit holder successfully completes the second available examination with a passing score, the limited permit will be extended for an additional sixty (60) days during which time the limited permit holder may apply for a license.

(9) Failure of the limited permit holder to pass the second available examination renders the limited permit void and the limited permit holder shall return the limited permit to the board within fourteen (14) days.
