Incidental financial data included in management advisory service reports to support recommendations to a client and tax returns and supporting schedules, for purposes of these rules, do not constitute financial statements. (7) Institute means the American Institute of Certified Public Accountants.

(B) Signing or affixing one's own name, any trade or assumed name used by him/her or it in his/her or its profession, a partnership name, limited liability company name or, corporate name or the name of any firm or corporate name, with any wording indicating s/he or it has expert knowledge in accounting or auditing, to any opinion or certificate attesting in any way to the reliability of any representation or estimate in regard to any person or organization embracing financial information or facts respecting compliance with conditions established by law or contract including, but not limited to, statutes, ordinances, rules, grants, loans and appropriations, except that this shall not contradict section 326.012, RSMo;

(C) Offering to the public or to prospective clients to perform or actually performing on behalf of clients professional services that involve or require an audit or examination of financial records leading to the expression of a written attestation or opinion concerning these records, except that this shall not contradict section 326.012, RSMo; or

(D) Maintaining an office for the transaction of business as a C.P.A., C.P.A. partnership, limited liability company or professional corporation, P.A. or P.A. partnership, limited liability company or professional corporation, except that this shall not contradict section 326.012, RSMo.

(10) Professional services means any services performed or offered to be performed by a licensee for a client in the course of the practice of public accounting.

(11) The phrase "temporarily practicing in this state on professional business incident to his regular practice outside this state," as used in section 326.012(1), RSMo means that practice which is a continuation or extension of an engagement for a client located outside Missouri, which engagement began outside Missouri and extends into Missouri through common ownership, existence of a subsidiary, assets or other operations located within Missouri.

4 CSR 10-2.040 Taking the Examination (Rescinded January 13, 1979)

AUTHORITY: section 326.170, RSMo Supp 1977. This version of rule filed Sept. 11, 1974, effective Sept. 21, 1974. Rescinded: Filed Sept. 13, 1978, effective Jan. 13, 1979.

4 CSR 10-2.041 Eligibility Requirements for the C.P.A. Examination

PURPOSE: This rule determines the eligibility requirements an applicant shall meet in order to qualify to sit for the certified public accountant examination as a Missouri candidate.

(1) The applicant must comply with subsection 326.060.1(1), (2) and (3), RSMo and either—

(A) If s/he applies for the initial examination prior to June 30, 1999, hold a baccalaureate or higher degree conferred by an accredited college or university recognized by the board with a concentration or major in accounting or substantially the equivalent of a concentration in accounting as described in subsection (2)(A) or (B) of this rule; or

(B) If s/he applies for the initial examination on or after June 30, 1999, have at least one hundred fifty (150) semester hours of college education including a baccalaureate or higher degree conferred by an accredited college or university recognized by the board with a concentration or major in accounting or substantially the equivalent of a concentration in accounting as described in subsection (2)(C) of this rule.

(2) The equivalent of a concentration in accounting shall be determined in the following manner:

(A) For candidates who sat for the examination for the first time prior to May 1996, thirty-six (36) semester hours or fifty-four (54) quarter hours of accounting and other related courses are required. At least eighteen (18) semester hours or twenty-seven (27) quarter hours shall be accounting courses with at least one (1) course in auditing. The remaining eighteen (18) semester hours or twenty-seven (27) quarter hours shall be in accounting or other areas of business administration such as business law, tax, statistics, economics, finance, marketing, management, data processing and business communications. These courses shall be taken at an accredited college or university recognized by the board.

(B) For candidates who sat for the examination for the first time during or after May

1996, and whose initial applications for the examination were postmarked prior to June 30, 1999, the requirements in subsection (2)(A) shall continue in effect except that principles of accounting (or introductory accounting) courses will not be credited toward the required number of hours of accounting courses, but may be credited toward the other related courses.

(C) For candidates whose applications for the initial examination were postmarked on or after June 30, 1999, the concentration or major in accounting, or the equivalent of a concentration in accounting shall be sixty (60) semester hours or ninety (90) quarter hours of accounting and other related courses. At least twenty-seven (27) semester hours or forty (40) quarter hours shall be accounting courses with at least one (1) course in auditing and at least eighteen (18) semester hours or twenty-seven (27) quarter hours of accounting courses taken at the upper division level. Principles of accounting (or introductory accounting) courses will not be credited toward the required number of hours of accounting courses, but may be credited toward the other related courses. For the purposes of this rule “upper division level” courses shall mean courses taken beyond the elementary level. The remaining thirty-three (33) semester hours or fifty (50) quarter hours shall be in accounting or other areas of business administration such as business law, statistics, economics, finance, marketing, management, data processing and business communications. These courses shall be taken at an accredited college or university recognized by the board.

(A) Who sat for the examination in another jurisdiction prior to June 30, 1999, or whose original application for the examination was postmarked to the other jurisdiction prior to June 30, 1999, if s/he meets the standard in subsections (1)(A) and (2)(A) or (B) of this rule, then examination credit will be granted in accordance with the provisions of section 326.060, RSMo and rule 4 CSR 10-2.140 just as though the candidate had been approved and had sat in Missouri and s/he will be approved to sit as a Missouri candidate; or

(B) Whose original application for the examination was postmarked to another jurisdiction on or after June 30, 1999 or, if the postmark date is not available, who first sat for the examination in the other jurisdiction

(4) Once an applicant has qualified under sections (1) and (2) of this rule and been approved by the board as a Missouri candidate for the examination, and as long as s/he continues to meet the requirement of subsection 326.060.1(3), RSMo and has not committed an act or acts which would be cause to deny an application under section 326.130, RSMo, s/he will be considered qualified for subsequent examinations.

(5) An applicant who satisfies the requirements of section 326.060.1(1), (2) and (3), RSMo shall be eligible to take the examination if the applicant reasonably expects to satisfy the educational requirements of section 326.060.1(4), RSMo within sixty (60) days after the examination.
