4 CSR 30-11.010 Renewal Period

PURPOSE: This rule establishes the licensing period for the Missouri Board for Architects, Professional Engineers and Professional Land Surveyors and establishes the information required to keep the records of the board current.

(1) Effective January 1, 2002 the license issued to every architect, professional engineer, professional land surveyor and landscape architect in Missouri shall, except as set forth in subsections (1)(A), (1)(B), (1)(C) and (1)(D) of this rule, be renewed biennially. Licenses originally issued in an odd numbered year shall be renewed by December 31 of each odd numbered year. Licenses originally issued in an even numbered year shall be renewed by December 31 of each even numbered year.

(A) Architect, professional engineer and professional land surveyor licenses originally issued in an odd numbered year and currently scheduled for renewal in December 2002 shall be renewed for one (1) year only, whereafter they shall be renewed biennially as set forth in section (1) of this rule.

(B) Architect, professional engineer and professional land surveyor licenses originally issued in an even numbered year and currently scheduled for renewal in December 2003 shall be renewed for one (1) year only, whereafter they shall be renewed biennially as set forth in section (1) of this rule.

(C) Landscape architect licenses originally issued in an odd numbered year and currently scheduled for renewal in October 2003 shall be renewed for two (2) years and two (2) months only, whereafter they shall be renewed biennially as set forth in section (1) of this rule.

(D) Landscape architect licenses originally issued in an even numbered year and currently scheduled for renewal in October 2003 shall be renewed for one (1) year and two (2) months only, whereafter they shall be renewed biennially as set forth in section (1) of this rule.

(E) The fee for renewal of a license under subsections (1)(A), (1)(B), (1)(C) and (1)(D) of this rule shall be prorated based on the renewal fee set forth in 4 CSR 30-6.015.

(2) Effective January 1, 2002 the certificates of authority issued to corporations authorized to offer architectural, engineering and land surveying services in Missouri shall, except as set forth in subsections (2)(A), (2)(B), (2)(C), and (2)(D) of this rule, be renewed biennially. Certificates of authority originally issued in an odd numbered year shall be renewed by December 31 of each odd numbered year. Certificates of authority originally issued in an even numbered year shall be renewed by December 31 of each even numbered year.

(A) Architectural, professional engineering and professional land surveying certificates of authority originally issued in an odd numbered year and currently scheduled for renewal in February 2002 shall be renewed through December 31, 2003, whereafter they shall be renewed biennially as set forth in section (2) of this rule.

(B) Architectural, professional engineering and professional land surveying certificates of authority originally issued in an even numbered year and currently scheduled for renewal in February 2002 shall be renewed through December 31, 2002, whereafter they shall be renewed biennially as set forth in section (2) of this rule.

(C) Architectural, professional engineering and professional land surveying certificates of authority originally issued in an odd numbered year and currently scheduled for renewal in February 2003 shall be renewed through December 31, 2003, whereafter they shall be renewed biennially as set forth in section (2) of this rule.

(D) Architectural, professional engineering and professional land surveying certificates of authority originally issued in an even numbered year and currently scheduled for renewal in February 2003 shall be renewed through December 31, 2004, whereafter they shall be renewed biennially as set forth in section (2) of this rule.

(3) Certificates of authority issued to corporations offering landscape architectural services in Missouri should, except as set forth in subsections (3)(A) and (3)(B) of this rule, be renewed biennially. Certificates of authority originally issued in an odd numbered year should be renewed by December 31 of each odd numbered year. Certificates of authority originally issued in an even numbered year should be renewed by December 31 each even numbered year.

(A) Landscape architectural certificates of authority originally issued in an odd numbered year and currently scheduled for renewal in October 2003 should be renewed through December 31, 2005, whereafter they

should be renewed biennially as set forth in section (3) of this rule.

(B) Landscape architectural certificates of authority originally issued in an even numbered year and currently scheduled for renewal in October 2003 should be renewed through December 31, 2004, whereafter they should be renewed biennially as set forth in section (3) of this rule.

(4) The fee for renewal of a certificate of authority under subsections (2)(A) through (2)(D) and (3)(A) through (3)(B) of this rule shall be prorated based on the renewal fee set forth in 4 CSR 30-6.015.

(5) Each renewal application from every architect, professional engineer, professional land surveyor and landscape architect in Missouri shall be accompanied by the following information, in addition to any other information the board may require:

- (A) Name;
- (B) Address; and
- (C) Place of employment.

(6) Each person holding a license and each corporation holding a certificate of authority to practice architecture, professional engineering, professional land surveying and landscape architecture in Missouri shall file, in writing, their proper and current mailing address of record with the board at its office in Jefferson City and immediately notify the board, in writing, at its office of any changes of mailing address, giving both the old and the new addresses.

(7) Failure to receive an application for renewal of a license or certificate of authority shall not relieve the licensee or certificate holder from their duty to timely renew, nor shall it relieve them from the obligation to pay any additional fee(s) necessitated by any late renewal.

4 CSR 30-11.015 Continuing Professional Competency for Professional Engineers

PURPOSE: The continuing professional competency (continuing education) requirement is to demonstrate a continuing level of competency for professional engineers.

(1) Purpose.

(A) Effective December 31, 2004, as a condition for renewal of an engineering license pursuant to section 327.261, RSMo a licensee shall have successfully completed thirty (30) professional development hours, as defined by this regulation, within the two (2) immediately-preceding years (renewal period). Any licensee who completes more than thirty (30) professional development hours within the preceding two (2) calendar years may apply the excess, not to exceed fifteen (15) hours, to the requirement for the next two (2)-year period.

(B) Continuing professional competency (continuing education) is a requirement for every professional engineer licensed by the board, regardless of age, area of practice, or whether the licensee lives in-state or out-of-state pursuant to section 327.271, RSMo.

(C) Continuing professional competency obtained by a licensee should maintain, improve or expand skills and knowledge obtained for initial licensure, or to develop skills and knowledge relevant to the practice of professional engineering.

(D) If the licensee served honorably on full-time active duty in the military, the licensee may renew his/her license without completing the PDH requirement for the renewal period during which the licensee served.

(2) Definitions.

(A) Board. The Missouri Board for Architects, Professional Engineers and Professional Land Surveyors.

(B) Continuing education unit (CEU). Unit customarily used for continuing education courses. One (1) CEU equals ten (10) nominal contact hours of class in an approved continuing education course.

(C) Professional development hour (PDH). One (1) nominal contact hour of instruction or presentation. The common denominator for other units of credit.

(D) Professional engineering division. The three (3)-member division of the board that concerns itself with the profession of engineering.

(E) Sponsor. An individual, organization, association, institution or other entity that provides an educational activity for the purpose of fulfilling the professional development requirements of the board.

(3) Activities. All such activities must be relevant to the practice of engineering and may include technical, ethical, or managerial content. Professional development activities that satisfy these requirements shall include, but shall not be limited to:

(A) Successfully completing college or university courses;

(B) Successfully completing courses that are awarded CEU(s);

(C) Active participation and successful completion of seminars, tutorials, workshops, short courses, correspondence courses, televised or videotaped courses or in-house courses;

(D) Attending program presentations at related technical or professional meetings;

(E) Teaching or instructing (see (3)(A)-(D)); and

(F) Authoring papers or articles that appear in nationally circulated technical journals or trade magazines.

(4) Criteria. Professional development activities must meet the following criteria:

(A) There is a clear purpose and objective for each activity that will maintain, improve or expand skills and knowledge obtained prior to initial licensure or to develop new and relevant skills and knowledge;

(B) The content of each presentation is well organized and presented in a sequential manner;

(C) There is evidence of preplanning that should include the opportunity for input by the target group to be served;

(D) The presentation will be made by persons who are well qualified by education and experience; and

(E) There is a provision for individual participant registration that will include information required for record keeping and reporting.

(5) Units. The conversion to PDHs from other units is as follows:

(A) One (1) semester hour of college credit 30 PDH;

(B) One-quarter (1/4) hour of college credit 20 PDH;

(C) One (1) CEU and 10 PDH;

(D) One (1) nominal contact hour of acceptable professional development education 1 PDH

(6) Credits. PDHs of credit for qualifying courses successfully completed that offer semester hour, quarter hour, or CEU credit is as specified in this rule. All other activities permit the earning of one (1) PDH of credit for each contact hour with the following exceptions:

(A) Auditing or "hearing" of university or college courses permit PDH credit of one-third (1/3) as shown in section (5);

(B) Teaching or instructing qualifying courses or seminars or making presentations at technical meetings or conventions earn PDH credit at twice that of participants; and

(C) Five (5) PDHs are earned for a paper or article that is published in a nationally circulated technical journal or article. Credit cannot be claimed until that article or paper is actually published.

(7) Reciprocity. PDHs may be acquired at locations other than Missouri, so long as the content meets the requirements of this regulation.

(8) Forms. All renewal applications will require the completion of a continuing education form specified and supplied by the board. The licensee must certify and sign the form, and submit it with the renewal application and fee.

(9) Records. The responsibility of maintaining records that can be used to support credits claimed is the responsibility of the licensee. Records required include but are not limited to: 1) a log showing the type of activity claimed, sponsoring organization, location, duration, instructor's or speaker's name, and PDH credits earned; and 2) attendance verification records in the form of completion certificates, signed attendance receipts, paid receipts, a copy of a listing of attendees signed by a person in responsible charge, or other documents supporting evidence of attendance. These records must be maintained for a period of four (4) years and copies must be furnished to the board for audit verification purposes if requested. At its discretion, the board may randomly audit a portion of licensees each renewal period.

(10) Disallowance. The board will review all claimed PDH credits for compliance with the regulation. If in the review the board finds that the PDH credit is not acceptable, the board shall inform the registrant of the criteria that has not been adhered to. The registrant shall have one hundred eighty (180) days after notification to substantiate the original claim or to earn other credits to meet the minimum requirements.

AUTHORITY: sections 327.041, RSMo Supp. 2001 and 327.261, RSMo 2000. Original rule filed Nov. 1, 2001, effective June 30, 2002.*

**Original authority: 327.041, RSMo 1969, amended 1981, 1986, 1989, 1993, 1995, 1999, 2001, and 327.261, RSMo 1999.*

4 CSR 30-11.020 Professional Land Surveyor—Renewal and Reactivation of Licensure

PURPOSE: This rule clarifies the requirements and conditions for renewing and reactivating a professional land surveyor's certificate of licensure.

(1) Licenses not renewed on or before the renewal date become non-current and subject to the provisions of section 327.351, RSMo. No person is entitled to practice as a professional land surveyor unless he/she holds a current and active license.

(2) In order to renew a license, the licensee must:

(A) Submit a completed renewal application form furnished by the board; and

(B) Pay the required fee; provided however, no fee shall be paid by a licensee who is at least seventy-five (75) years of age at the time the renewal is due; and

(C) Submit a completed Professional Development Unit ("PDU") form furnished by the board verifying that the licensee has completed at least twenty (20) PDUs during the preceding two (2) calendar years unless otherwise exempted.

(3) Licensees who request to be classified as inactive pursuant to section 327.351.5, RSMo, may maintain their inactive status by paying the renewal fee as provided in 4 CSR 30-6.015. Inactive licensees need not complete the PDU requirement. However, an inactive licensee shall not have his/her license reactivated until he/she pays the required reactivation fee, and in addition, either:

(A) Completes the PDU requirements as described in section 327.351.6(1), RSMo; or

(B) Successfully completes the Missouri Specific Examination for professional land surveyors pursuant to section 327.351.6(2), RSMo.

AUTHORITY: section 327.041, RSMo 2000. Original rule filed June 15, 2001, effective Jan. 30, 2002.*
