*PURPOSE: This rule provides for the manner in which inspection fees assessed on new manufactured home sales are calculated by the commission and submitted by registered dealers.*

(1) The commission may, prior to the beginning of each fiscal year starting with the fiscal year commencing on July 1, 2000, issue an order establishing an inspection fee to be assessed on all new manufactured homes sold in the state of Missouri. Said inspection fee will be calculated as follows:

(A) The commission will determine the funding needs of the manufactured housing and modular units program;

(B) The director will determine through dealer monthly sales reports the aggregate number of new manufactured homes, pre-owned manufactured homes, and modular units sold in the 12-month period commencing May 1 and ending April 30 immediately preceding each fiscal year;

(C) The director will estimate the funds that the program will receive through dealer and manufacturer registrations, plan approvals, and any other fees that the program receives on a yearly basis, based on prior year's receipts; and

(D) The director will subtract the amount determined in subsection (C) above from the program's legislative appropriation. That amount will then be divided by the aggregate number of new manufactured homes, pre-owned manufactured homes, and modular units sold as determined in subsection (B) above.
