Title 4—DEPARTMENT OF ECONOMIC DEVELOPMENT

Division 30—Missouri Board for Architects, Professional Engineers and Land Surveyors Chapter 13—Supervision

4 CSR 30-13.010 Immediate Personal Supervision

PURPOSE: This rule defines what shall be considered immediate personal supervision for architects and professional engineers.

(1) Plans, specifications, drawings, reports, engineering surveys or other documents will be deemed to have been prepared under the immediate personal supervision of an individual registered with the board only when the following circumstances exist:

(A) The client requesting preparation of plans, specifications, drawings, reports, engineering surveys or other documents makes the request directly to the individual registered with the board or an employee of the individual registered with the board so long as the employee works in the registered individual's place of business and not a separate location;

(B) The individual registered with the board shall supervise each step of the preparation of the plans, specifications, drawings, reports, engineering surveys or other documents and has input into their preparation prior to their completion; and

(C) The individual registered with the board reviews the final plans, specifications, drawings, reports, engineering surveys or other documents and is able to, and does make, necessary and appropriate changes to them.

(2) The plans, specifications, drawings, reports, engineering surveys or other documents shall be signed and sealed per the provisions of section 327.411, RSMo.

(3) The individual registered with the board shall supervise each step of the preparation of the plans, specifications, drawings, reports, surveys or other documents and has input into their preparation prior to their completion.

(4) The individual registered with the board reviews the final plans, specifications, drawings, reports, surveys or other documents and is able to, and does make, necessary and appropriate changes to them.

Auth: section 327.041, RSMo (1986). Original rule filed Dec. 8, 1981, effective March 11, 1982. Amended: Filed Dec. 16, 1988, effective Feb. 24, 1989.

4 CSR 30-13.020 Immediate Personal Supervision for Land Surveyors

PURPOSE: The board shall define what shall be considered immediate personal supervision for land surveyors.

(1) Plats, maps, preliminary subdivision plans, drawings, reports, descriptions, surveys or other documents will be deemed to have been prepared under the immediate personal supervision of a land surveyor registered with the board only when—

(A) The client requesting preparation of plats, maps, preliminary subdivision plans, drawings, reports, descriptions, surveys or other documents makes the request directly to the land surveyor registered with the board or an employee of the land surveyor registered with the board, so long as the employee works in the registered individual's place of business and not at a separate location;

(B) The land surveyor registered with the board shall supervise each step of the preparation of the plats, maps, preliminary subdivision plans, drawings, reports, descriptions, surveys or other documents and has input into their preparation prior to their completion; and

(C) The land surveyor registered with the board reviews the final plats, maps, preliminary subdivision plans, drawings, reports, descriptions, surveys or other documents and makes necessary and appropriate changes to them.

(2) During a land survey the land surveyor registered with the board shall—

(A) Supervise and review prior to making the survey the acquisition of all necessary records and data including, but not limited to, deeds, maps, certificates of title, abstracts of title, section line and other boundary line locations in the vicinity;

(B) Supervise and review prior to making the survey the analysis of all the record data in order to determine the most nearly correct legal boundaries of the tract to be surveyed;

(C) Supervise and review the investigation of the selection of the ground control (such as section corners, block corners, survey corners or other corners or monuments found) as a result of the field survey to be used to position the survey on the ground; and

(D) Supervise and review the execution of the survey, the survey computations and the preparation of the drawing.

(3) The plats, maps, preliminary subdivision plans, drawings, reports, descriptions, surveys or other documents shall be signed and sealed according to section 327.411, RSMo.

Auth: section 327.041, RSMo (Supp. 1988). Original rule filed Dec. 16, 1988, effective Feb. 24, 1989.
