Adult Education**

The Missouri State Board of Education is responsible for administering and supervising the adult education program at the state level to provide adult education and literacy services, including workplace literacy services, family literacy, and English literacy programs. Funds will be distributed to eligible providers such as local education agencies, public or private nonprofit agencies, community-based organizations, correctional education agencies, postsecondary educational institutions and other institutions that have the ability to provide comprehensive literacy services to adults and families for the purpose of providing instruction in adult education, which is designed to teach persons out of school who are sixteen (16) years of age or older to obtain sufficient mastery of basic educational skills to enable them to function effectively in society. The program priorities and objectives are—to assist adults to become literate and obtain the knowledge and skills necessary for employment and self-sufficiency, assist adults who are parents to obtain the educational skills necessary to become full partners in the educational development of their children, and assist adults in the completion of a secondary school education and/or obtain a high school equivalence certificate. These objectives are achieved by

providing funds to eligible providers and by providing professional development for adult education staff members through local, state, regional and national sponsored training programs. Project applications are reviewed to assure their compliance with federal and state guidelines. Eligible providers are responsible for meeting federal and state performance measures incorporated in the five (5)-year program plan for adult education, which serves as an agreement between state and federal governments regarding the conduct and administration of the program in Missouri for Fiscal Years 2000-2004, as amended. The Missouri Adult Education State Plan 2000-2004 is hereby incorporated by reference and made a part of this rule.

**5 CSR 60-100.020 Administration of High
School Equivalence Program**

PURPOSE: The Department of Elementary and Secondary Education (DESE) determines applicant eligibility, arranges for testing, establishes minimum standard score requirements, issues certificates, approves reexamination in accordance with the policies and procedures of the General Educational Development Testing Services (GEDTS) of the American Council on Education (ACE). DESE cooperates with the Defense Activity for Nontraditional Education Support (DANTES) and United States Armed Forces Institute (USAFI) testing programs.

(1) To be eligible to take the General Educational Development (GED) tests and earn a Missouri High School Equivalency Certificate, a person cannot be enrolled in elementary or secondary school, must be a resident of Missouri (with a Missouri mailing address), and meet one (1) of the following requirements:

(A) Be eighteen (18) years of age or older;

(B) Be seventeen (17) years of age and out of school at least six (6) months from the last day of school attendance; or

(C) Be sixteen (16) or seventeen (17) years of age, withdrawn from school and—

1. Have the written permission of the superintendent or principal of school last attended;

2. Have written permission of parent or legal guardian, if home-schooled; or

3. Be incarcerated or have the written permission of the juvenile judge if under the court's jurisdiction.

(2) Arrangements for Taking the GED Tests.

(A) Servicemen who are residents of Missouri or who are stationed in Missouri in active military service will be allowed to take the GED tests upon the payment of the regular fee established by the Missouri State Board of Education (the board).

(B) The GED tests are administered under the direction of DESE at centers approved and designated by DESE.

(C) Application forms may be obtained by contacting the GED Office, PO Box 480, Jefferson City, MO 65102. The completed form is to be returned for approval. Only approved applicants may take the examination. Positive identification in the form of a current Missouri driver's license, Missouri non-driver ID, or United States Passport must be presented by the examinee before being allowed to take the GED test. The local testing center is responsible for positive identification of examinees.

(D) A fee must accompany each application. The remittance by cash, postal money order or cashier's check must be made payable to the Treasurer, State of Missouri. The fee is nonrefundable and nontransferable. Personal checks are not accepted. The fee for processing applications and issuance of a certificate when achieved will be twenty dollars (\$20). An additional application and fee of twenty dollars (\$20) will be required each time an individual retakes any part of the test. Processing of an application and issuance of a certificate to an individual who took the test through the United States Armed Forces Institute/Defense Activity for Nontraditional Education Support will be twenty dollars (\$20). In addition to the fee paid to the Treasurer, State of Missouri, an examinee will pay the local testing center a fee set by the local testing center not to exceed twenty dollars (\$20) each time the tests are taken. A fee of two dollars (\$2), payable to the Treasurer, State of Missouri, also will be charged for each transcript issued other than the original. Replacement certificates may be purchased for a fee of fifteen

dollars (\$15), payable to Treasurer, State of Missouri.

(3) Local testing centers will assign testing dates to applicants who have been authorized by DESE to take the test or to retake all or part of the test. The following areas are covered by the tests: Correctness and Effectiveness of Expression, Interpretation of Reading Materials in the Social Studies, Interpretation of Reading Materials in the Natural Sciences, Interpretation of Literary Materials and General Mathematical Ability.

(4) Effective May 1, 1992, a total minimum standard score of two hundred twenty-five (225) or above on the five (5) tests of GED, with no score below forty (40), is required to qualify for a Missouri Certificate of High School Equivalence.

(5) Certificates of High School Equivalence are issued only by DESE. Public high schools are not permitted to issue these certificates nor are they permitted to issue a diploma on the basis of the GED tests as these tests do not satisfy legal requirements for a high school diploma in Missouri.

(6) Reexamination.

(A) An applicant who fails to qualify for the certificate on the first testing may be approved for additional attempts, but only if a minimum of two (2) months have elapsed since the previous attempt. Application and fee are required each time tests are taken.

(B) If the scores on the reexamination do not meet the minimum certificate requirements, the highest scores above forty (40) received on all tests taken within the last two (2) years will be compared with the most recent scores. The highest score obtained for each of the five (5) tests will be used as a basis for determining the eligibility for the certificate.

(C) An applicant who has been reauthorized more than twice and fails to take the tests or who fails to take the test within two (2) years after approval must submit a new application and fee.

(7) GED Tests given by DANTES or USAFI are recognized by Missouri. A completed application form, fee and an official transcript of GED scores must be submitted to the GED Office, PO Box 480, Jefferson City, MO 65102. A Missouri Certificate of High School Equivalence will be issued if the standard scores meet the minimum score requirements established by the board.
