PURPOSE: This rule describes the composition, primary duty, record keeping, and meeting procedures of the Board for Certification of Interpreters.

(1) There is established within the Missouri Commission for the Deaf and Hard of Hearing (MCDHH) a “Board for Certification of Interpreters” (BCI), which shall be composed of five (5) members. The executive director of the MCDHH or his/her designee shall be a nonvoting member of the BCI.

(2) The members of the BCI shall be appointed by the governor with the advice and consent of the senate from a list of recommendations from the MCDHH. The BCI shall elect from its membership a chairperson and a secretary. A quorum of the BCI shall consist of three (3) of its members.

(3) The BCI shall meet not less than two (2) times per year.

(4) By the authority established in sections 209.292(1) and 209.292(2), RSMo, the BCI is the only entity in the state of Missouri with the power to officially evaluate and certify interpreters in order that they may meet the requirements for licensing by the Missouri State Committee of Interpreters. Other powers and duties of the BCI are detailed in section 209.292, RSMo.

(5) The coordinator of the Missouri Interpreters Certification System (MICS) shall be hired by the executive director of the MCDHH, and shall be responsible for implementing policies and decisions of the BCI, maintaining the BCI’s records, and responding to all requests for access to the BCI’s public records.

(6) The public may obtain information from, as well as make submissions to, the BCI by submitting their requests or materials in writing to the MICS coordinator at the MCDHH office.

(A) All public records of the BCI shall be open for inspection and copying by persons in the general public during normal business hours. However, records closed pursuant to section 610.021, RSMo, compiled in connec-

tion with the investigation of a complaint against the certification process, or compiled for the purpose of processing applications for certification are confidential and therefore not subject to inspection by the public.

(B) A fee may be charged by the BCI for making copies of its records. See 5 CSR 100-200.150 Fees.

(C) It shall be improper for any BCI member, MCDHH member, or MCDHH staff member to discuss with any person, except members of the BCI, MCDHH, staff of the MCDHH, State Committee of Interpreters, staff of the State Committee of Interpreters, or counsel for any of these agencies, any matter which is confidential, including complaints against the certification process, that is pending before the BCI, MCDHH, State Committee of Interpreters, or the Administrative Hearing Commission.

(7) All meetings of the BCI not closed pursuant to the provisions of section 610.021, RSMo, shall be open to any person in the general public.

(8) Individuals wishing to make a presentation at a BCI meeting must submit their requests in writing to the executive director of the MCDHH a minimum of three (3) working days prior to the meeting.

5 CSR 100-200.030 Missouri Interpreters Certification System

PURPOSE: This rule describes the basic components of the Missouri Interpreters Certification System, as well as the types and levels of certification issued by the Board for Certification of Interpreters.

(1) Any individual who practices interpreting in the state of Missouri as defined in 209.285 and 209.321, RSMo, must be certified in the Missouri Interpreters Certification System (MICS), except as allowed by statute.

(2) The Missouri Commission for the Deaf and Hard of Hearing (MCDHH) authorizes

the Board for Certification of Interpreters (BCI) to purchase or develop materials to be used as the most appropriate testing materials for certifying interpreters in the state of Missouri.

(3) The MICS has two (2) basic components—a written test and a performance test. A person is required to obtain a passing score on the written test before being allowed to take the performance test.

(A) The written test may cover, but is not limited to:

1. Knowledge of general interpreting procedures and situations;
2. Knowledge of issues and situations facing interpreters;
3. Knowledge of Ethical Rules of Conduct for interpreters; and
4. Knowledge of issues pertaining to deaf and hard of hearing individuals.

(B) The performance test may cover, but is not limited to:

2. Interpreting from American Sign Language to spoken English;
3. Transliterating from spoken English to an English-based sign system; and
4. Transliterating from an English-based sign system to spoken English.

(4) The performance evaluation is the measurement tool used to analyze the performance test and determine the applicant’s ability to facilitate communication between deaf or hard of hearing people and persons who are hearing by means of one (1) or more of the skills detailed in subsection (3)(B) above. The MICS performance evaluation standards shall be based upon the testing materials used.

(5) The types and levels of interpreter certification granted by the MICS are Novice, Apprentice, Intermediate, Advanced, Comprehensive, Restricted Certification in Education (K–6), Restricted Certification in Education (7–12), Restricted Certification in Education (General), Provisional Certificate in Education, and the Intern/Practicum Certification.

(A) The Novice and Apprentice certifications are issued for terms of three (3) years.

(B) The Provisional Certificate in Education is issued for a term determined by statute.

(C) The Intern/Practicum Certification is issued for a term specified pursuant to 5 CSR 100-200.085.

(D) All other certifications are permanent.

(6) All MICS certifications are subject to renewal annually pursuant to 5 CSR 100-200.125, provided that the holder commits no violation of any provision of the *Revised Statutes of Missouri* or the *Missouri Code of State Regulations* pertaining to interpreter certification or licensure, with the following exceptions:

(A) The Intern/Practicum Certification;

(B) When the three (3)-year term of a Novice or Apprentice certification expires on or before the annual renewal date; and

5 CSR 100-200.130 Certification Maintenance

PURPOSE: This rule provides information regarding the minimum requirements for certification maintenance in the Missouri Interpreters Certification System.

(1) Annual participation in a continuing education program is required for interpreters certified in the Missouri Interpreters Certification System (MICS). This program involves study and performance options which must have prior approval from the Board for Certification of Interpreters (BCI) and which fulfill the requirements for certification maintenance in the MICS. This program may include seminars, lectures, conferences, workshops, extension study, correspondence courses, teaching, mentorship, self-study and other options, all of which must be approved by the BCI and must be related to interpreting.

(A) Program options may provide for evaluation methods to assure satisfactory completion by participants.

(B) The BCI shall ensure that persons responsible for the delivery or content of program options are qualified in the subject matter by education, experience and expertise.

(C) Presentations or program options offering MICS Continuing Education Units (CEUs) may be approved through any of the following methods:

1. All presentations and workshops offered by an Interpreter Training Program (ITP) recognized by the BCI and housed in an accredited institution of higher education will automatically be approved for MICS CEUs;

2. All presentations and workshops that give attendees CEUs approved by the Registry of Interpreters for the Deaf (RID) will automatically be approved for MICS CEUs;

3. MICS CEUs will be given for undergraduate or graduate studies related to interpreting in any regionally accredited institution of higher education. Satisfactory proof of course completion, as required by the BCI, must be submitted in order for CEUs to be granted. The following hourly equivalents will be used by the BCI in issuing course-related MICS CEUs:

A. 3 college credit hour course = 10 contact hours;

B. 2 college credit hour course = 6 contact hours; and

C. 1 college credit hour course = 3 contact hours.

4. The BCI may approve continuing education presentations and program options other than those offered by an ITP or the RID if they meet the following criteria prior to the event:

A. Application should be submitted not less than thirty (30) days prior to the event. Applications received less than thirty (30) days in advance cannot be guaranteed notification of approval.

B. Application to the BCI for approval shall be made on forms developed by the

BCI. The application shall require detailed information relating to administration and organization, teaching staff, education content and development, methods of delivery, length of education activities, targeted skill level of interpreters, facilities and method of evaluation;

(D) With adequate documentation to the BCI, any interpreter whose primary responsibility is not the education of interpreters who leads, instructs or lectures to groups of interpreters or others on topics related to interpreting in organized continuing education or in-service programs shall be granted MICS CEUs for the time expended during actual presentation. Approval must be requested using procedures outlined in paragraph (1)(C)4 above. MICS CEUs for the same presentation in the same town will be allowed only once during a year;

(E) Any interpreter whose responsibility is the education of interpreters shall be granted MICS CEUs only for time expended in leading, instructing, or lecturing to groups of interpreters or others on topics related to interpreting in an organized continuing education or in-service program outside his/her formal responsibilities in a learning institution. Approval must be requested using procedures outlined in paragraph (1)(C)4 above. MICS CEUs for the same presentation in the same town will be allowed only once during a year.

(2) One (1) contact hour earns one-tenth (0.1) MICS CEU.

(3) An interpreter shall be required to earn one and two-tenths (1.2) CEUs annually for certification maintenance in the MICS. Contact hours earned in another state will be accepted by the BCI provided that the hours acquired can be documented. The twelve (12)-month period for annually earning CEUs will end ninety (90) days prior to the licensing deadline.

(4) Providers will give evaluation forms to participants to be submitted with final reports.

(5) Proof of completion of continuing education requirements shall be provided by interpreters to the BCI by submitting annually a completed CEU form approved by the BCI, proper documentation, and the CEU processing fee, on or before sixty (60) days prior to the licensing deadline. Proper documentation shall include one (1) or more of the following:

(A) Certificate(s) of completion;

(B) Letter(s) from providers stating date of attendance and program; and

(C) Transcript(s) (if available).

(6) The BCI will review and verify all MICS CEUs claimed on the CEU forms submitted. After verification, the BCI will notify the State Committee of Interpreters of the number of CEUs interpreters have earned for the year.

(A) Failure to submit a CEU form with verifiable MICS CEUs, proper documentation, and the CEU processing fee by the sixty (60) days CEU deadline will result in an interpreter's certification not being renewed, and the State Committee of Interpreters will be appropriately notified of the interpreter's failure to renew certification.

(B) If an interpreter's certification is not renewed because of failure to obtain adequate MICS CEUs, the interpreter may apply for reinstatement by submitting a completed CEU form, proper documentation, the CEU processing fee, and the reinstatement fee.

(7) The BCI may elect to audit any interpreter to assess the authenticity and validity of contact hours submitted.
