**Op. Atty. Gen. No. 132, Russell (7-18-79).** Ethanol used solely as a fuel for motor vehicle purposes is not a section 311.020, RSMo “intoxicating liquor.” Also, manufacturers of ethanol for fuel purposes need not be licensed under Chapter 311, RSMo if the ethanol is denatured by some means.

11 CSR 70-2.020 Application for License

**PURPOSE:** This rule prescribes forms and applications and establishes procedure for the issuance of all intoxicating liquor licenses.

(1) Applications for licenses including payment for the correct amount of the license fee are to be submitted to the supervisor of Alcohol and Tobacco Control at the Central Office in Jefferson City, or any operational Alcohol and Tobacco Control field office within the state. If payment is rejected for insufficient funds and the licensee has not replaced such payment within fifteen (15) days of notification with sufficient funds, then beginning with the sixteenth day, if such licensee’s renewed license has been issued, such renewed license shall be suspended until the day following the day the licensee makes restitution for the insufficient funds payment, or if such licensee’s renewed license has not been issued, the renewed license shall not be issued until on or after the day following the day the licensee makes restitution for the insufficient funds payment.

(2) Application is to be made on the forms prescribed by the supervisor.

(3) No applicant may exercise the privileges of the license applied for prior to its issuance.

(4) If application is made by a partnership, the application shall set out the names and residences of all the partners, whether they be active or silent, and be signed by all the partners. All partners shall qualify under the laws of Missouri for the license.

(5) If application is made by an entity, the application shall set out the names and residences of any officers and all members or shareholders, whether they be active or silent, and be signed by the managing officer. The entity shall qualify under the laws of Missouri for the license.

(6) No application will be considered which is not complete. No license may be granted to an applicant unless the applicant makes full, true, and complete answers to all questions in the application. Any false answer to any question in the application or omission of a material matter in the application, may be cause for denial of the application or discipline of any license issued pursuant to the application.

(7) Violation of any oath taken by a licensee or any person(s) listed in the application in connection with the application for a license is cause for denial of the application or discipline of any license issued pursuant to the application.

(10) Every applicant for a liquor license of any kind will present all applicable items listed on the checklist of requirements that corresponds to the application form as prescribed by the supervisor of Alcohol and Tobacco Control. Failure to present all applicable items may be cause for denial of the application or discipline of any license issued pursuant to the application.

(11) Every applicant for a liquor license of any kind must provide written notice to the supervisor of Alcohol and Tobacco Control if any fact or information changes from what is set forth in the application. Failure to provide written notice of such changes may be cause to deny the application or to discipline any license issued pursuant to the application.

(12) No license may be issued to the spouse, child(ren), step-child(ren), parent(s), stepparent(s), son-in-law or daughter-in-law, employee, or other person having any interest in the business of a licensee whose license has been revoked, for the privilege of doing business at the same location or in close
proximity to the location of the establishment whose license was revoked until a period of five (5) years after the date of the revocation of the license, and then at the discretion of the supervisor of Alcohol and Tobacco Control.

(13) Ineligible Premises.

(A) No license may be issued for any premises that has been condemned by a federal, state, county, or local government entity, or has been declared a public and common nuisance by a court of law.

(B) No license may be issued for any premises that is transitory, moveable, or not permanently anchored to the ground, unless expressly permitted under Chapter 311, RSMo, or the regulations promulgated thereunder. This regulation does not apply to any applicant seeking a temporary license, except for temporary licenses issued under section 311.095, RSMo.

(C) No license may be issued for any premises that contains a private residence. Where an application seeks to license a portion of any building that contains a private residence, the building must have permanent partitions such that the licensed premises is separate and distinct from any residential areas. The licensed premises and the private residence must each have separate entrances and street addresses. This regulation does not apply to hotels, motels, bed and breakfasts, any premises that offers commercial overnight lodging, or any premises that does not receive or store intoxicating liquor on-site for commercial use.

(D) No license may be issued to any premises that includes, in whole or in part, the licensed premises of a current licensee. Where an applicant wishes to be licensed to operate on a premises that includes, in whole or in part, the licensed premises of a current licensee, the applicant must provide documentation showing that the current licensee either no longer owns or has a lease to operate out of the licensed premises or has agreed to surrender the premises in question to the applicant for the applicant’s exclusive use. This regulation does not apply to any applicant seeking a temporary license, except for temporary licenses issued under section 311.095, RSMo.

(14) When the supervisor receives applications from two or more applicants seeking to operate out of the same premises, those applications will be processed in the order in which they were received. No application will be considered unless the previous applicant(s) have withdrawn its application or the supervisor has denied the previous applicant(s) and the previous applicant(s) have exhausted the administrative remedies found in section 311.691, RSMo.

(15) The supervisor of Alcohol and Tobacco Control, at his/her discretion and for good cause, may issue a temporary license for up to ten (10) days. A completed application with all required current documents and payment of license fees and any late charges must be in receipt of the Division of Alcohol and Tobacco Control before a temporary license may be considered by the supervisor of Alcohol and Tobacco Control.

**Authority:** Section 311.660, RSMo Supp. 2021.

**Brown-Forman Distillers Corp. v. Stewart,** 520 SW2d 1 (Mo. banc 1975). Separate licenses are required for every phase of the liquor traffic and manufacturers, wholesalers and retailers are statutorily categorized as distinct separate phases thereof. The statutes indicate a legislative intent to preclude a licensee in one phase of the liquor traffic from controlling traffic in liquor in its entirety.

**Pinzio v. Supervisor of Liquor Control,** 334 SW2d 20 (1960). A review of the statutes makes it clear that the legislature has vested sole discretion in the supervisor (of liquor control) to issue or refuse to issue each license, whether one of original issue or a renewal and that a hearing is not an essential prerequisite to the lawful exercise of that sole discretion. Failure to hold a hearing prior to the refusal to issue a denial of due process is in violation of the pertinent provisions of the state and federal constitutions.

**State ex rel. Floyd v. Philpet et al.,** 266 SW2d 704 (Mo. banc 1954). The exclusive authority to determine whether statutory qualifications for an applicant for a state license to sell intoxicating liquor at retail had been met and the authority to issue such licenses is vested in the state supervisor of liquor control.

No event may the special certificate continue in effect for more than ten (10) days from the date of issuance.

(7) Corporations and other entities licensed under the provisions of section 311.060, RSMo, shall designate a managing officer who is an individual in the corporation’s or other entity’s employ, either as an officer or an employee with the general control and superintendence of the licensed premises, or an agent capable of representing and binding the corporation or other entity during all interactions or proceedings with the supervisor or a designated representative dealing with the Liquor Control Law.

(D) If a vacancy occurs in the office of the managing officer, a replacement shall be named within fifteen (15) days of the vacancy. Replacements must qualify under section 311.060, RSMo, and this regulation. If the supervisor determines that a replacement does not qualify under section 311.060, RSMo, and this regulation, the supervisor shall notify the licensee in writing, and the licensee shall have fifteen (15) days from the date of the written notice to name a qualified replacement.

(8) Licensees are responsible for ensuring that the contact information for all persons listed in the application on record with the division is accurate and current.

11 CSR 70-2.040 Manufacturers, Wholesalers and Distributors

PURPOSE: This rule defines credit and advertising items allowed to be provided to retailers by manufacturers, wholesalers, and distributors.

(1) Except as provided in section 311.070, RSMo, no retail licensee, directly or indirectly, may accept any loans, equipment, money, credit, or property of any kind except ordinary commercial credit for intoxicating liquor sold to the retailer. A licensed wholesaler may not use close-out pricing as an inducement for retailers to purchase other intoxicating liquors.

(2) No distiller, wholesaler, wine maker, solicitor, brewer or employees, officers, or agents of same may, directly or indirectly, pay any fee rental or other consideration to any retail licensee for the use of any part of the licensed retail premises for advertising any brand name of distilled spirits, wine, or malt liquor, or for the purpose of advertising the name, trademark, or trade name of any maker or of the trademark.

(3) Except as provided in section 311.070, RSMo, no distiller, solicitor, wholesaler, wine maker, brewer or their employees, officers, or agents, directly or indirectly, may give or offer to give any financial assistance, gratuity, or make or offer to make any gift of their products to any retail licensee.

11 CSR 70-2.050 Wholesalers’ Conduct of Business

PURPOSE: This rule establishes guidelines for wholesalers regarding purchases, deliveries, sales, and storage of products.

(1) No wholesaler may buy, obtain, or accept any intoxicating liquors from any person who is not registered with the division of Alcohol and Tobacco Control as the primary American source of supply or who is not a licensed wholesale-solicitor. However, a wholesaler owning warehouse receipts may obtain the written permission from the supervisor of Alcohol and Tobacco Control to receive intoxicating liquor from federal customs bonded warehouses or federal internal revenue bonded warehouses.

(2) No wholesaler may sell, deliver, or cause any intoxicating liquors to be sold or delivered to any licensee unless the wholesaler bought, obtained, or accepted the intoxicating liquor from the person registered with the division of Alcohol and Tobacco Control as the primary American source of supply or a licensed wholesale-solicitor.

(5) All wholesale licensees are to keep and maintain a place for storage of merchandise, which is designated in the license and separate and apart from any storage place used by others and with a separate entrance and street address.

(6) No wholesaler licensee may deliver or cause intoxicating liquors to be delivered to any premises unless there is a license displayed prominently issued by the supervisor of Alcohol and Tobacco Control to the person purchasing the liquor, wine, or beer, designating the purchaser as a person licensed to sell on the premises the kind of liquor, wine, or beer so is about to deliver.

(7) Wholesalers licensed to sell intoxicating liquor are to make and keep invoices for all sales or deliveries of intoxicating liquor and the Missouri license number of every person to whom intoxicating liquor is sold or delivered by the licensees is to be written or stamped upon the invoices.

(8) Shipments by wholesalers or solicitors may be made only to licensed dealers of this or other states. A bill of lading is to be secured from the carrier and kept on file for a period of two (2) years so that shipments may be traced by the division’s auditors or agents.

(B) All used bottles are to be sterilized by soaking in a hot caustic solution which contains not less than three percent (3%) caustic or alkali expressed in terms of sodium hydrate. The period of time in the solution is to be governed by the temperature and strength of the solution. The bottles are then to be rinsed thoroughly in clean sterile water until free from alkali or sodium hydrate.

(4) All manufacturers and wholesalers are to keep their premises and equipment in a clean and sanitary condition.

(5) Applicants for a manufacturing license shall provide a copy of a certificate demonstrating successful completion of a health
inspection with their license application. No such applicant may be granted a manufacturer license without such a certificate, subject to the following exceptions:

AUTHORITY: section 311.660, RSMo 2016.*

Chilton v. Wright, 480 SW2d 1 (1972). Two agents testifying that they removed 44 bottles of liquor from licensee’s premises suspected to be refills in violation of rules and regulations because some appeared to be overfilled and some had worn strip stamps on their necks, along with testimony of expert chemist, was competent substantial evidence that the licensee possessed refilled bottles in violation of rules and regulations 13(c) (now covered by 11 CSR 70-2.130(6)). But evidence of “several different brands of liquor—the bulk of it was in half-pints and pints” and the geographical location of the retail outlet and its proximity to known “dry” states did not constitute substantial evidence that the licensees had reasonable cause to believe that their customers purchased liquor for purposes of resale in violation of rule 13(d) (now 11 CSR 70-2.130(4)).

11 CSR 70-2.140 All Licensees

PURPOSE: This rule establishes additional rules for the conduct of business in both retail and wholesale establishments regarding inspection, record keeping, storage, employ-

Such records include a complete and accurate record of all purchases and all sales of intoxicating liquor made by them. (8) No person licensed by the supervisor of alcohol and tobacco control may allow upon his/her licensed premises any self-service, coin-operated, mechanical devices, or automatic dispensers for the purpose of selling or dispensing intoxicating liquor except as pursuant to section 311.205, RSMo.

(C) The conduct or playing of games on premises approved by the Missouri Gaming Commission to conduct games in accordance with Chapter 313, RSMo, does not constitute gambling or gambling activities when the games are conducted in accordance with Chapter 313, RSMo, and the activity, by itself, does not constitute a violation of this regulation;

(D) The sale of state lottery tickets or shares on premises licensed by the lottery commission to sell lottery tickets or shares to the public does not constitute gambling or gambling devices when conducted in accordance with Chapter 313, RSMo and the activity, by itself, does not constitute a violation of this regulation; and

(12) No licensee, his/her agent, or employee may permit anyone under the age of twenty-one (21) years of age to consume intoxicating liquor upon or about his/her licensed premises.

(13) No licensee, his/her agent, or employee may allow upon or about the licensed premises solicitation for the purposes of prostitution or other immoral activities by anyone.

(14) No licensee, his/her agent, or employee may possess, store, sell or offer for sale, give away, or otherwise dispose of upon or about the licensed premises or permit any person upon or about the licensed premises to possess, store, sell or offer for sale, give away, or otherwise dispose of any controlled substance as defined in Chapter 195, RSMo.

(15) No licensee, his/her agent, or employee may mix or pour, or permit to be mixed or poured, any intoxicating liquor directly into any person’s mouth upon or about the licensed premises.

State ex rel., Glendinning Co. v. Letz, 591 SW2d 92 (Mo. App. 1979). The Supervisor of Liquor Control may prohibit gambling on licensed premises by rule despite the general preemption language contained in the criminal code at section 572.100, RSMo.

State ex rel. Letz v. Riley, 559 SW2d 631 (Mo. App. 1977). Despite the issuance by the attorney general of a “no action” letter stating that certain games in theory were not violative of Chapter 563, RSMo, the doctrine of equitable estoppel was not available to support an injunction restraining the supervisor of the Division of Liquor Control from enforcing Liquor Control Regulations 15(6) (prohibiting any licensee from allowing any sort of gambling upon licensed premises) and 25 II(c)(1)(g) (restricting advertisement of intoxicating liquor and nonintoxicating beer).

Op. Atty. Gen. No. 167, Moran (7-7-66). A licensee of the Department of Liquor Control is not violating the rules and regulations of the department by having on his/her licensed premises a pinball machine of the type designated by federal statute as a gambling device per se and requiring a $250 Coin-Operated Gaming Device Stamp but on which the machine only awards free games for replay. It is a violation of regulation 15(1) (now covered by 11 CSR 70-2.140(12)) of the rules of the Department of Liquor Control if patrons using the pinball machines are actually paid off in money or merchandise by the liquor licensee or if patrons using the pinball machines actually wager money or property among themselves on the outcome of games played and the licensee allows such gambling.

11 CSR 70-2.150 Refunds

PURPOSE: This rule establishes procedures for refund of tax on intoxicating liquor and nonintoxicating beer.

(1) Every licensee who claims a refund for Missouri tax on intoxicating liquor or a refund for Missouri tax on malt liquor shall present claims to the supervisor of Alcohol and Tobacco Control and attach to the claim a complete statement, under oath, as to the facts supporting the claim.

(2) After the claim is accepted for audit by the supervisor and the claimant has been notified of the acceptance, then an inspection can be made by the supervisor or his/her agents. The agents shall make an affidavit that they inspected the intoxicating liquors and/malt
liquors denoting in the affidavit the brand, number of the containers or cases, and the disposition to be made of the spirituous liquor, wine, or malt liquor.

(3) Under no circumstances shall refund claims be accepted by the supervisor if the sole reason for their presentation to him/her is because the claimant has purchased beyond his/her capacity to sell.

(4) The supervisor shall not accept claims for refunds for unused portions of permits.

(5) The supervisor reserves the right to refuse to accept for audit any or all claims presented.

**11 CSR 70-2.160 Hearings to Suspend or Revoke Licenses**

(4) No person or entity may be granted permission to sell warehouse receipts and no license of the supervisor of Alcohol and Tobacco Control may be given permission to purchase any warehouse receipt(s) unless the person or entity seeking permission, either to sell or to buy, agrees as a condition precedent to the granting of any permission that s/he shall make regular monthly reports for each calendar month by the fifteenth of the following month in accordance with forms designated by the supervisor of Alcohol and Tobacco Control. Any permission given will be promptly revoked unless the reports are made.

**11 CSR 70-2.180 Ceded Areas**

**PURPOSE:** This rule exempts from tax and license fees in areas ceded to the federal government for military installations.

(1) The product pricing information is to be made available to retailers five (5) days prior to the last day of the month and include the brand number, brand or trade name, capacity of individual packages, nature of contents, age and proof, the per bottle and per case price, the number of bottles contained in each case, and the size thereof.

(B) Supplemental pricing information is to be made available to retailers when a new product, new size, or new proof is added by a wholesaler during the month and not subject to change before the first of the month when regularly filed product pricing information is effective. A wholesaler is allowed to sell such items to retailers immediately upon production of such supplemental information. Supplemental pricing information includes...
the brand number, brand or trade name, capacity of individual packages, nature of contents, age and proof, the per bottle and per case price, the number of bottles contained in each case, and the size thereof.

(C) The wholesaler may sell at any price for any item as long as it is sold above their cost and they sell at the same price to all retailers as indicated on their product pricing information.

(D) Close out items should be identified as such on the product pricing information that is made available to retailers at prices which may be below the wholesaler’s costs for not less than six (6) consecutive months during which time the wholesaler may not purchase further inventory. The wholesaler should not use close out pricing as an inducement for retailers to purchase other intoxicating liquors.

(3) Discounts.

(A) The wholesaler may grant any discount up to one (1) per centum for quantity of liquor and wine and one (1) per centum for payment on or before a certain date.

(B) Quantity discounts. A quantity discount may be granted only for quantities of two (2) or more. If a price is listed for bottles only, then a quantity discount may be allowed on quantities of two (2) or more bottles. If a price is listed for both bottles and cases, then a quantity discount may be allowed only on quantities of two (2) or more unbroken cases. Quantity discounts may be granted but not exceed the maximum one percent (1%).

(C) Discounts for time of payment. A discount for time of payment may be granted only for 1) payment for time of delivery, 2) payment on or before a certain date, or 3) payment on or before 15 days from the date of delivery.

For the purpose of this regulation, a case of intoxicating liquor or a case of wine is declared to be a cardboard, wooden, or other container, containing bottles of equal size filled with intoxicating liquor or wine of the same brand, age, and proof. The following table depicts the number of bottles considered to be a case of various bottle sizes for both the English and metric systems of measure, for pricing purposes:

(A) The Universal Coding of Alcoholic Beverages for Products by container size is to be used to code the bottle size. An item is declared to be either a bottle or a case of intoxicating liquor or wine scheduled as required.

(B) All sizes less than one-half (1/2) pint or eight (8) ounces under the English system of measure are defined as miniatures. Under the metric system of measure, miniatures are defined as fifty (50) milliliters (1.7 ounces) for spirituous liquors and one hundred (100) milliliters (3.4 ounces) for vinous liquors. Acceptable case sizes for miniatures are 240, 144, 120, 96, 60, and 48 bottles. Miniatures may be sold in only one (1) case size for each bottle size sold; and

(C) If an intoxicating liquor or wine product is packaged by the manufacturer in a bottle quantity for that bottle size exceeding one (1) but either more or less than the case quantity for the bottle size listed in section (4), a wholesaler may sell that package for a total price that reflects the same per bottle price as the per bottle price in the posted case price, if the wholesaler’s invoice specifies the quantity in the package.

(5) The price to retailers, except retailers operating railroad cars, should include federal custom duties, internal revenue taxes, state excise tax, bottling and handling charges, and the cost of delivery to the retailer. The price to retailers operating railroad cars may be scheduled at a price “ex state excise tax,” but shall include all other taxes and costs computed in prices to other retailers. No charge(s) may be made in addition to the price except that on past due accounts there may be imposed a finance (interest) charge in accord with that permitted by law. Provided, however, that if a wholesaler elects to impose a finance (interest) charge on past due accounts the charge shall be at uniform rate to all retailers and imposed on all retailers who have past due accounts.

(6) Delivery. Any brand of liquor or wine sold to a retailer is to be shipped to and received by the retailer at the price in effect for that calendar month in which the delivery occurs. Delayed shipment orders may be taken the last five (5) days of the month and delivered in the first five (5) days of the following month.

(7) Returns. Merchandise returns exceeding seven (7) days from delivery date may not be accepted for return from a retailer, except pursuant to a court order or with prior approval from the supervisor for any of the following reasons:

(A) The merchandise delivered does not conform to the merchandise ordered, whether an error was made at the time the order was taken or when the merchandise was delivered. Requests to return merchandise delivered in error should be submitted to the supervisor within thirty (30) days of the original invoice; or

(B) The retailer is abandoning the retail liquor business.

(8) Breakage, Samples, Expenses. As part of its regular books and records, each wholesaler licensed to sell intoxicating liquor or wine is required to keep a monthly record of all allowances for breakage containing the name, address, and license number of the customer, the amount of breakage allowance, and the date and number of the invoice of sale for which allowance is given. No allowance for breakage may be given unless the broken bottle is returned to the seller within seventy-two (72) hours after delivery. Broken bottles are to be kept available on the wholesaler’s licensed premises for inspection by representatives of the supervisor and may not be removed from the licensed premises or destroyed only with permission from the supervisor.

(9) Posting of Contraband Liquors and Wines Purchased From Supervisor. Bottles or cases of liquor or wine as described in section (4) which have been declared contraband and purchased by a wholesaler from the supervisor or the officer who seized the same under the provisions of sections 311.820 and 311.840, RSMo or by a wholesaler from a wholesaler who so purchased the same, may be posted by the wholesaler at prices less than other liquors and wines of the same brand, age, and proof. When the liquors and wines are so posted, the pricing is to be accompanied by a writing on which the liquors and wines are exactly described and the quantity(ies) available for purchase set forth and upon sale of all or any part of the quantity a copy of the invoice shall be sent to the supervisor upon the day it is prepared.

The Universal Numeric Code for Alcoholic Beverages and Missouri’s brand number is to be used to code all wines on all invoices written by any manufacturer, vintner, solicitor, and/or wholesaler licensed by the Division of Alcohol and Tobacco Control of Missouri; this includes invoices written by wholesalers to retail licensee. In addition, the descriptive data for liquors and wines includes the age or vintage, proof or percent of alcohol by weight, class and type, and brand name. Missouri wholesalers are to include brand name, age, and proof for spirituous liquors and vintage for wines on all invoices to retailers when the vintage creates a cost differential for the same type of wine. Any failure of any person, firm, or corporation licensed under any provisions of Chapter 311, RSMo to comply in all respects with the rules and any violation by any licensee of these rules may be deemed to be cause for the revocation or suspension of the license of the offending licensee.

Despite the issuance by the attorney general of a “no action” letter stating that certain games in theory were not violative of Chapter 563, RSMo, the doctrine of equitable estoppel was not available to support an injunction restraining the supervisor of the Division of Liquor Control from enforcing Liquor Control Regulation 15(k) (prohibiting any licensee from allowing any sort of gambling upon licensed premises) and 25II(c)(1)(g) (restricting advertisement of intoxicating liquor and nonintoxicating beer).

Milgram Food Stores, Inc. v. Ketchum, 384 SW2d 510. (Mo. App. 1965) cert. denied, 382 U.S. 801. Regulation 15(f)(5) (now covered by 11 CSR 70-2.240(2) and (5)(G) and (H)) prohibiting the advertisement of intoxicating liquor which offers any coupon, premium, prize, rebate as an inducement to purchase such intoxicating liquor, did have a reasonable relation to and in accord with the provisions and purposes of the Liquor Control Law; and that rule is not unreasonable, arbitrary and capricious as claimed by the respondent, as to “free” Santa Claus covers offered in advertisement with purchase of certain liquors, this fell within prohibited practices and suspension of respondent’s license for twenty-five (25) days was not unreasonable.
