   (E) The refusal and denial of the sale of tobacco products, alternative nicotine products, or vapor products to a minor or to someone without proper identification.

(2) An owner of an establishment where tobacco products, alternative nicotine products, or vapor products are available for sale may claim the exemption of section 407.931.6, RSMo if said owner had in place an in-house or other tobacco compliance employee training program meeting the criteria in section (1) above, and the training was attended by all employees who sell tobacco products, alternative nicotine products, or vapor products to the general public.

(3) Each employee attending the training is to sign and date a certification upon completion of the training stating that the employee has been trained and understands the state laws and federal regulations regarding the sale of tobacco products, alternative nicotine products, or vapor products. This certification is to be presented to the supervisor of Alcohol and Tobacco Control upon request.

11 CSR 70-3.020 Use of Minors in Enforcement

PURPOSE: This rule establishes guidelines for the use of minors by a state, county, municipal, or other local law enforcement authority pursuant to section 407.934, RSMo.

(1) The Supervisor of the Division of Alcohol and Tobacco Control (the “supervisor” and the “division”) adopts the standards set forth in subsection 5 of section 407.934, RSMo (the “statute”), as mandatory guidelines for the use of minors in investigations of violations of Chapter 407 by a state, county, municipal, or other local law enforcement agency (“agency” or “authority”), which shall be followed by such authority. Agencies are also to adhere to the following guidelines:
   (A) The agency shall search the minor prior to an investigation to ensure that the minor is not in possession of—
      1. Any identification showing an incorrect date of birth for the minor; or
      2. Any tobacco, alternative nicotine, or vapor product;
   (B) The agency shall, in advance of an investigation, train the minor who will be used in the operation. At a minimum, this training shall include instruction on the standards set forth in the statute and this rule; and
   (C) A color photograph that clearly identifies the minor when printed or displayed at a size of three inches (3") by three inches (3") or larger shall satisfy any requirement for a photograph contained in the statute.

(2) Blank copies of the current editions of forms approved by the supervisor pursuant to the statute and this rule shall be made available on the division’s website.

(3) All references to statutes in this section include any successor statute.
