To the Secretary of State

Sir

Enclosed you will find all the information I believe which you requested of me I presume you will put it in different form for publication It is a very busy time with me as I should have transcribed it and put it better form but I have given you the substance & you may form it to suit your own taste as this has cost me considerable labour in searching the records & writing I think I am entitled to a fee of five dollars which you will please have allowed to me.

I am sir yours respectfully
