Head Quarters of the forces
against the mormons
Richmond Nov 3rd 1838

Genl Samuel L Lucas

Major Genl Hth L. Onm

As I have heretofore directed you
to report to me of your move-
ments in your operations against
the mormons but you have not done
so or even sent me a line except a pencil
scrawl accidentally found in the
Bar Room of the Tavern at Richmond
I know nothing officially of what has been
done and shall therefore move on to
Far west you are ordered to have all
the prisoners and arms taken from
the mormons to be brought forthwith
to this place and the prisoners put in
the Richmond jail and guarded
and the arms put in some secure
place and guarded also, and you
are also ordered to discharge your
forces except a sufficient guard for the
arms and prisoners as above you
will then repair in person to my
Camp between here and Davis County
with your ~~self~~ and also communicate
to me a complete report in detail
of what you have done in this
expedition These orders I make under
orders to me from the Genl

I have the Honor
to be your Obedt Svt
