# Classification of Municipalities

Missouri statutes classify municipalities on the basis of population and limit the form of government options of each classification. The statutes provide that a community may incorporate as a city of the third class, fourth class or village on the basis of the population at the time of incorporation<sup>1</sup>. Once a community is incorporated under a given classification, the municipality does not automatically change classification with a gain or loss of population. A municipality may change classification only when the change is approved by a majority vote of the people.

There are certain forms of government permitted for each classification of municipality. Villages are permitted only one form of government—an elected board of trustees, five in number if the village has less than 2,500 population and nine if more than 2,500 population. Fourth-class cities are permitted to have either a mayor/board of aldermen form or a mayor/city administrator/aldermen form. The board of aldermen may adopt a city administrator form by ordinance, without a vote of the people. Third-class cities are granted greater flexibility with the authority to establish a mayor/council form, a council/manager form, a commission form or a mayor/city administrator/council form. Finally, constitutional charter cities may adopt any form of government that the people approve in the charter.

<sup>1</sup>From 1821 to 1875, the Missouri General Assembly passed special charters for specific cities, until the 1875 Constitution prohibited further granting and amending of special charters. However, seven Missouri municipalities are still operating under special charters granted before 1875. They are Augusta, Carrollton, Chillicothe, La Grange, Liberty, Miami and Pleasant Hill. If the voters of these municipalities decide to relinquish their special charters, they will be governed by the appropriate sections of the statutes relevant to their population classification.

Class	Population Requirement	Form of Government
Village	less than 500	Board of trustees
4th Class	500-2,999	Mayor/board of aldermen Mayor/city administrator/alderman
3rd Class	3,000-29,999	Mayor/council Mayor/city administrator/council Council/manager Commission
Constitutional Charter / Home Rule	more than 5,000	To be decided by the people
Special Charter	no requirement	As set forth in the individual special charter

CDP: Census designated places (CDPs) are delineated for the decennial census as the statistical counterparts of incorporated places.
